

Accounting, BA

Academic Plan: ACC-BA
Program Code: 02568

This degree map is a term-by-term sample course schedule designed to assist you and your advisor in planning your 4-year academic path to graduation with an Accounting Degree.

You and your advisor will use it, along with the program of study for your major (found in the [Lehman Catalog](#) for your admission year) and Degree Works (degree audit system), to formulate your customized plan.

Introduction to Federal Taxation

Elective 3 CR

Minor or Certificate Course III ^[3] 3 CR

Minor or Certificate Course IV ^[3] 3 CR

90 PRIOR CREDITS + 14 FALL CREDITS + 16 SPRING CREDITS = 120 CREDITS

[1] No more than two courses in one discipline may be used to satisfy Flexible Core requirements.

[2] These are variable topics courses, where each section treats a special topic. Pre-requisite: You must have achieved 60 credits and declared your major.

Integration Courses: LEH 352: Studies in Literature; LEH 353: Studies in Arts; LEH 354: Studies in Historical Studies; LEH 355: Studies in Philosophy, Theory & Abstract Thinking (LEH 351: Studies in Science & Applied Perspectives, is NOT a College Option for this Major).

[3] We strongly recommend clustering 12- 15 elective credits to obtain a minor or certificate that complements your general and major field of study. The choice of the minor or certificate depends on your interest and should be coordinated with advisors. See information on available minors and certificates.

NOTE: Writing Intensive Sections: Complete 4 sections designated as writing-intensive, 3 prior to earning 60 credits and 1 following. These sections may be searched by class attribute and are offered in General Education, major, minor and elective courses.
