Computer Graphics & Imaging, BS

Academic Plan: CGI-BS
Program Code: 26891

This degree map is a term-by-term sample course schedule designed to assist you and your advisor in planning your 4-year academic path to graduation with a Computer Graphics and Imaging Degree. You and your advisor will use it, along with the program of study for your major (found in the Lehman Bulletin for the year of your major declaration) and Degree Works (degree audit system), to formulate your customized plan.

[1] No more than two courses in one discipline may be used to satisfy Flexible Core requirements.

[3] We strongly recommend clustering 12-15 elective credits to obtain a minor or certificate that complements your general and major field of study. The choice of the minor or certificate depends on your interest and should be coordinated with advisors. Check out more information on Minors or Certificates with your advisor.

[4] The following courses can be taken as either ART or CGI

NOTE: Writing Intensive Sections: Complete 4 sections designated as writing-intensive, 3 prior to earning 60 credits and 1 following. These sections may be searched by class attribute and are offered in General Education, major, minor and elective courses.
