Adding Standards To Course and Assessment Group

NOTE: Standards are officially uploaded and made available by Digication. Standards must be submitted to ePortfolio administrator long in advance of creating a course, assessment or assignment that requires alignment to standards. Discuss ePortfolio “Standards” options in advance with administrator.

Click on the Standards Tab in your Course OR Assessment group

> Click Add Standard

> Scroll down the list of standards, choose those that apply to your course or specific assignment > Click Add
To search for particular collection of standards: Select the Standards > Click Go

To add or change standards: Click Add/Edit Standards

To delete standard from your course: Click Remove
