Division of Natural & Social Sciences

CURRICULUM CHANGE

1. **Type of Change**: Re-registration of program as separate program with new IRP codes

2. **Program Description**: That the following registered *graduate* programs be reregistered as separate programs with new IRP codes.

<table>
<thead>
<tr>
<th>IRP PROGRAM CODE</th>
<th>Program(reregistered)</th>
<th>Award</th>
<th>HEGIS Code</th>
</tr>
</thead>
<tbody>
<tr>
<td>33476</td>
<td>Recreation Education</td>
<td>MSED</td>
<td>0835.01</td>
</tr>
<tr>
<td>31433</td>
<td>Spanish*</td>
<td>M.A.</td>
<td>1105.00</td>
</tr>
</tbody>
</table>

3. **Rationale**: The re-registration of the programs with the designation of new IRP codes, using the same course requirements, awards, and Hegis codes, now leads to a teaching certification in each of the subject areas. The Recreation Education program needs to be re-registered because the state no longer has a recreation education teaching certificate. The recreation curriculum is viable for “initially certified” Physical Education teachers.

   *The Spanish M.A. program needs to be registered as a separate program that leads to teacher certification. The request for the same program to be separated from the teacher education program and registered as a Stand-Alone program is submitted under the Curriculum Change on discontinuation of obsolete and/or dual-purpose Teacher Education programs and re-registration as Stand-Alone programs.*

4. **Date of Divisional Approvals**: 1/12/2010
