CURRICULUM CHANGE

1. **Type of Change**: Re-registration of program as separate program with new IRP codes

2. **Program Description**: That the following registered *undergraduate* programs be reregistered as separate programs with new IRP codes.

<table>
<thead>
<tr>
<th>IRP PROGRAM CODE</th>
<th>Program(reregistered)</th>
<th>Award</th>
<th>HEGIS Code</th>
</tr>
</thead>
<tbody>
<tr>
<td>02682</td>
<td>Geography</td>
<td>B.A.</td>
<td>2206.00</td>
</tr>
</tbody>
</table>

3. **Rationale**: The re-registration of the B.A. Geography program with the designation of new IRP codes, using the same course requirements, awards, and Hegis code, now leads to a teaching certification. *The B.A. program needs to be registered as a separate program that leads to teacher certification because the Department of Early Childhood and Childhood Education has its newly proposed ECCE major pending upon the approval by the Undergraduate Curriculum Committee. The request for the same program to be separated from the teacher education program and registered as a Stand-Alone program is submitted under the Curriculum Change on discontinuation of obsolete and/or dual-purpose Teacher Education programs and re-registration as Stand-Alone programs.*

4. **Date of Divisional Approvals**: 1/12/2010
