THE LEHMAN VALUE

CAPITAL PROJECTS

SCIENCE HALL: Phase II

Estimated Cost: $255M

Estimated completion date: 2023

Phase II of Science Hall will see the creation of a 10-story tower and building that will add 160,000-square feet to Lehman's existing science facilities. Phase II will complete Lehman's "campus-within-a-campus." Science Hall will serve as a hub of scientific and technological innovation.

NURSING EDUCATION, RESEARCH, AND PRACTICE CENTER

Estimated Cost: $53M

Estimated completion date: 2020

The Nursing Education, Research, and Practice Center will provide 50,000-square-feet of classroom and lab space for the College's nursing department, providing state-of-the-art facilities that will allow significant expansion in the number of students we can serve. Construction will begin in 2018.

THE LEHMAN VALUE

CAPITAL PROJECTS

CONCERT HALL ADDITION

Estimated Cost: $12.8M

Estimated completion date: 2018

This addition to the **Lehman Center for the Performing Arts** will make the Bronx's premier cultural center ADA compliant, while adding new restroom facilities, an elevator, as well as additional box office and concession space.

LEHMAN AMPHITHEATRE

Estimated Cost: $2.7M

Estimated completion date: 2020

The creation of the **Lehman Amphitheatre** will add an entirely new outdoor performance space to the campus. Lehman students will now have a new venue to hold concerts, performances, lectures, and events. The plaza will include seating for 150 patrons and completely transform the college's vibrant arts community.
