

FINANCIAL AID

Paying for College

CUNY's high-quality, affordable academic opportunities make it "the American Dream Machine," in the words of Intel Corp. founder, the late Andrew Grove, a CUNY alumnus. Nearly seven of ten full-time undergraduates attend tuition-free and more than eight out of ten CUNY undergraduates graduate free of federal student loan debt. CUNY students dream big, work hard and accomplish much, winning the most prestigious awards in the nation.

Providing students with access to a quality education, regardless of financial means has always been CUNY's mission. The cost of a college education is an important investment that should be carefully considered. When you look at the quality and cost of a CUNY education, you see that it is a tremendous value.

Educational expenses include tuition and fees, room and board, books and supplies, and transportation. If you think you will need assistance to pay for educational expenses, we recommend that you apply for financial aid. While you and your family have the primary responsibility of paying for your education, funding is available from the federal, state and city government (as well as from CUNY) to help you.

Types of Financial Assistance

Grants – Money that does not have to be repaid and is usually based on financial need.

Scholarships – Money that does not have to be repaid and usually is awarded on the basis of academic merit.

Loans – Money that is borrowed for college and must be repaid with interest.

Work-Study – Money earned from a job provided by the Financial Aid Office at the college.

Financial Aid Applications

To determine whether you are eligible for financial aid, you must complete the following applications *each year*:

FAFSA (Free Application for Federal Student Aid) Visit www.fafsa.gov to apply for federal financial aid.

TAP (Tuition Assistance Program)

Visit www.hesc.ny.gov to apply for this financial aid program for New York State residents.

Seven Steps to App

 1

Prepare to Apply

Gather copies of the records of your and your parent(s)* income and assets. For the 2017–18 academic year, these records may include your (and your parents', if applicable) 2015 tax returns and W-2 form(s), Social Security numbers, and other records of income and assets. Get free information and assistance from a school counselor, the Financial Aid Office at the college you plan to attend, or the U.S. Department of Education at www.studentaid.gov or call 1-800-4-FED-AID (1-800-433-3243).

2

Get a FSA ID - fsaid.ed.gov

A FSA ID is a username and password that you must use to log in, sign and make corrections to your FAFSA. You and at least one of your parents will each need a FSA ID. Be sure to save your FSA ID as you will need it to reapply and access your information each year.

 3

Complete the FAFSA - www.fafsa.gov

Applying for federal student aid is **free**. You can apply before you have been admitted to CUNY, starting October 1 of your senior year of high school (or for the following academic year). To apply visit www.fafsa.gov. For free help with completing your FAFSA or to obtain a paper FAFSA call the Federal Student Aid Information Center at 1-800-4-FED-AID (433-3243).

IRS Data Retrieval Tool

The IRS Data Retrieval Tool allows you and your parents to access the IRS tax return information needed to complete the Free Application for Federal Student Aid (FAFSA). Students and parents may transfer their tax data directly into their FAFSA. It is highly recommended that you use the IRS Data Retrieval Tool for several reasons:

- It is the easiest way to provide your tax data.
- It is the best way of ensuring that your FAFSA has accurate tax information.
- You will not need to provide a copy of tax transcripts or returns to your college.

*If you are a student currently in foster care or have a history in the foster care system please contact your agency for assistance.

 4

Link to the Tuition Assistance Program (TAP) on the Web from your FAFSA Application (for New York State Residents)

After you complete the FAFSA, you will be taken to a confirmation page; click on the state application link to apply for New York State-based financial aid. If you miss the link to the TAP application, you will receive an email from the NYS Higher Education Services Corporation (HESC) after your FAFSA is processed, with information on how to apply for TAP.

 5

Receive a Student Aid Report (SAR)

A few days after you complete the FAFSA you will receive an email with a link to your Student Aid Report (SAR). The SAR contains a summary of your FAFSA information and a calculation of your Expected Family Contribution (EFC) – the number used to determine your federal student aid eligibility. Review your SAR to see if additional information or corrections are needed. You can also access your SAR at www.fafsa.gov.

 6

Verify Your Data

The Federal Processor selects a certain number of applicants for a verification process. If you are selected (which will be indicated on your SAR), you will need to submit requested documents to the Financial Aid Office at the CUNY college you will be attending in order to verify the data you have supplied on your FAFSA.

 7

Receive Your Financial Aid Award Notification

Once your financial aid applications are completed and you demonstrate financial need, the colleges you have been accepted to will send you an award notification to indicate the financial aid programs for which you qualify.

Evaluate College Costs and Financial Aid Packages

One of the most important factors when selecting a college is whether the institution will meet your educational needs. Additionally, you and your family must consider the cost to attend college when deciding where to enroll.

Cost of Attendance (COA)

When planning for college, you need to review the Cost of Attendance (COA), which includes tuition and fees, housing (room and board), transportation, books, supplies and personal expenses. If you plan to live at home, the estimated cost for attending CUNY full-time for nine months includes tuition and fees plus approximately \$9,700 for all other costs. If you plan to live away from home, the estimated cost is approximately \$20,400.

Expected Family Contribution (EFC)

Your Expected Family Contribution (EFC) is the amount you and your family can reasonably contribute toward yearly educational costs based on the information you supply on your FAFSA. Factors such as your family's income, number in household, certain assets, taxes paid and the number of family members attending college are used to compute your EFC.

Your EFC is used to determine the amount of federal financial aid you may qualify for, such as Pell, Federal Work-Study and subsidized federal loans. In addition, the EFC can be used to determine your eligibility for

various college scholarships. For federal financial aid, your EFC is calculated the same way for every college.

Financial Need

Financial need is the difference between the Cost of Attendance and your Expected Family Contribution.

$$\text{COA} - \text{EFC} = \text{Financial Need}$$

CUNY Net Price Calculator

To help determine the financial aid you may receive, a Net Price Calculator is available on the CUNY website. This tool calculates an estimated financial aid award package along with an estimated cost of tuition and fees. The Net Price Calculator also helps compare

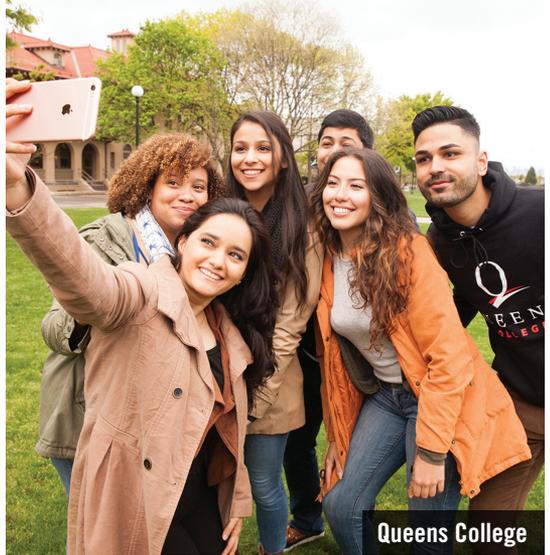

costs at CUNY to other institutions to determine which colleges are most affordable for you.

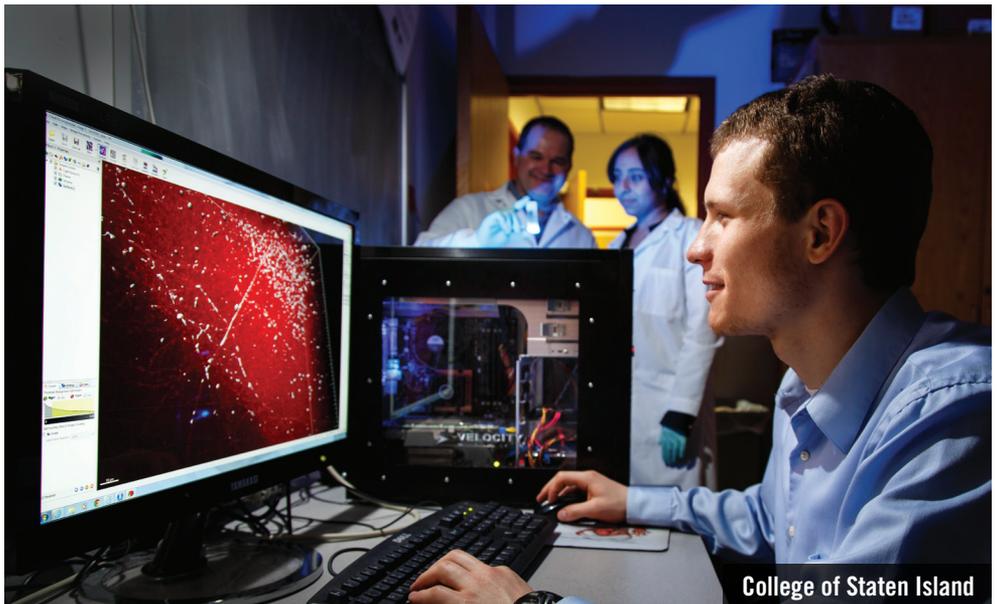

Visit www.cuny.edu/financialaid to access the Net Price Calculator.

Financial Aid Package

Based on your financial need, CUNY constructs a financial aid package for you. The financial aid package may include various types of financial aid to help cover all or part of your college costs. If you have financial need, you may be eligible for grants, work-study and subsidized loans.

The following pages contain information on the financial aid programs that may be included in your financial aid package based on your eligibility.

Programs to Help Finance Your Education

CUNY Programs

College Scholarships

www.cuny.edu/scholarships

Each CUNY college offers a variety of academic and merit-based scholarships. To apply for scholarships at individual CUNY colleges, students are generally required to complete a FAFSA and, sometimes, an individual scholarship application.

Tuition Payment Plan

CUNY colleges participate in a monthly installment payment plan to help families budget tuition and fee expenses.

For details about the program contact Nelnet at 1-888-470-6014 or the Office of the Bursar at your CUNY college.

New York City Council

Merit Scholarship

The New York City Council Merit Scholarship is awarded to eligible NYC high school students who have proven their ability to succeed academically. All students who apply to CUNY are automatically considered for the Scholarship, which will provide \$800 for the 2016-17 academic year and is subject to change. To qualify, you must:

- Be a U.S. citizen or eligible non-citizen.
- Be a resident of New York City.
- Graduate from a New York City high school with at least an 80-College Academic Average (CAA).

- Enroll at a CUNY college as a full-time student within one year of graduating from high school.
- Register as a full-time student each semester and maintain at least a 3.0 cumulative average.
- Attend CUNY before attending any other post-secondary institution.

Outside Scholarships

There are thousands of private organizations that provide scholarship assistance to college students. These scholarships are based on a variety of factors. To search for scholarships, you should use free search services such as the collegeboard.com website. You do not need to pay someone to help you with your scholarship search.

Programs for New York State Residents

www.hesc.ny.gov

To be considered for New York State programs you must:

- Be a New York State resident.
- Submit the FAFSA and TAP applications.
- Be admitted into a degree program.
- Make academic progress toward your degree.
- Not be in default on a federal student loan or owe a refund of financial aid.

Tuition Assistance Program (TAP)

TAP is a grant for New York State residents who attend a college in New York State on a full-time basis. TAP grants are based on the applicant's and his/her family's New York State net taxable income. Undergraduate TAP awards range from \$500 to \$5,165 annually. Prior to completing your TAP application you must first file the FAFSA.

Part-Time Assistance for New York State Residents

New York State provides two financial aid programs for students pursuing a degree on a part-time basis (6 to 11 credits per semester): the Part-Time Tuition Assistance Program and the Aid for Part-Time Study Program. The amount of each grant is determined by the student's family income, number of credits taken and the availability of funds from New York State. In addition to the TAP application you must submit a CUNY supplement form. For more information visit cuny.edu/financialaid and click the link for 'Federal and State Grants.'

CUNY Opportunity Programs: SEEK, CD and ASAP

SEEK (Search for Education, Elevation and Knowledge) is a New York State program available at CUNY four-year colleges which is designed to assist students who are both academically and financially disadvantaged. SEEK students benefit from additional opportunities for needed financial support. CD (College Discovery) is the

companion program funded by New York City at CUNY community colleges. Admission into the SEEK or CD program is part of the CUNY admission process.

ASAP (Accelerated Study in Associate Program) is offered at most CUNY community colleges and some four-year colleges to allow motivated associate degree students to complete their degree more quickly and efficiently.

State Scholarships and Awards

New York State offers a number of special scholarships for students who excel in high school or plan to pursue particular academic objectives. For information about these scholarships visit www.hesc.ny.gov and choose 'Pay' and 'Grants, Scholarships and Loan Programs' to learn more.

Federal Student Aid Programs www.StudentAid.gov

To be eligible for federal financial aid programs, students must:

- Be a United States citizen or eligible noncitizen.
- Fill out a FAFSA.
- Gain admission to a degree-granting program.
- Maintain good academic standing and make satisfactory progress toward the completion of a degree.
- Register with the Selective Service (for males between the ages of 18 and 25).
- Not be in default on a federal student loan or owe a refund of financial aid.

- Register for at least six credits except for Pell Grants, which can be awarded if you are registered for as little as one credit.

Federal Pell Grants

For the 2016–2017 academic year, Pell Grants provide up to \$5,815 per year and are awarded to part-time and full-time undergraduate students who have not yet earned a bachelor's degree. The amount of Federal Pell Grant Funds you may receive is limited to 12 full-time semesters or the part-time equivalent.

Federal Supplemental Educational Opportunity Grants (FSEOG)

If you demonstrate exceptional financial need, CUNY may award you funds from FSEOG. Funds are limited and preference is given to students who receive a Pell Grant.

Federal Work-Study (FWS)

The Federal Work-Study program provides you with an opportunity to be placed into a part-time job that accommodates your academic schedule. If you are awarded Federal Work-Study, you may be placed in an eligible off-campus or on-campus job. Each college's Financial Aid Office can help you find a Federal Work-Study job.

Loans

Federal Direct Loans

The Direct Loan program allows you to borrow funds from the federal government to help cover your cost of attendance. Like all other loans, these loans must be repaid with interest.

There are two types of Direct Loans available, Subsidized and Unsubsidized. To qualify for a Subsidized Direct Loan you must demonstrate financial need. Interest is not charged on these loans as long as you are enrolled at least half-time but will accrue interest after you graduate or drop below half-time.

If you do not demonstrate financial need, you may still qualify for an Unsubsidized Direct Loan. However, interest will begin to accrue as soon as the loan is disbursed.

To apply for a Federal Direct Loan, you must:

- Complete the FAFSA.
- Request the loan directly from the Office of Financial Aid at the college.
- Complete an entrance interview, which provides you with information regarding the loan's terms and conditions.

Additional information:

- You must sign a promissory note.
- If you request a Federal Direct Loan you may decline the loan later by notifying the Financial Aid Office at the college.
- You do not need a co-signer to qualify for a Federal Direct Loan, and there is no credit check.
- Interest rates for Subsidized and Unsubsidized Federal Direct Loans issued through June 30, 2017 are 3.76 percent.
- Repayment periods vary from 10 to 30 years.

- Repayment begins six months after you graduate, leave college or drop below half-time study.

Maximum Direct Loan Amounts

	Subsidized	Total Subsidized & Unsubsidized
Dependent Undergraduate		
1 st Year	\$3,500	\$5,500
2 nd Year	\$4,500	\$6,500
3 rd Year and Beyond	\$5,500	\$7,500
Independent Undergraduate		
1 st Year	\$3,500	\$9,500
2 nd Year	\$4,500	\$10,500
3 rd Year and Beyond	\$5,500	\$12,500

Maximum loan amounts are based on eligibility.

Federal PLUS Loans for Parents

Your parents may be eligible to apply for a Federal Plus Loan to help pay your college expenses. You, the dependent student, must complete the FAFSA before your parent(s) can apply for a PLUS Loan.

Additional information:

- PLUS loan borrowers are subject to credit checks.
- For the 2016–2017 academic year the interest rate on Federal PLUS Loans is 6.31 percent.
- The interest rate may be recalculated on July 1 each year.
- Contact the Office of Financial Aid at the college for more information about Federal PLUS Loans.

- Repayment on PLUS Loans begins 30 days after disbursement. Your parent(s) can defer payment as long as you are enrolled at least half-time, although interest will continue to accrue.

Veteran Education Programs

CUNY welcomes and supports veterans, reservists and their family members. There are programs to help veterans finance their education from the federal and New York State governments. For more information on these benefits and how to apply for them, visit www.cuny.edu/veterans and choose “Financing Your Education.”

Federal Income Tax Credits and Deductions

There are tax credits available to help you offset the costs of higher education by reducing the amount of your income tax. Certain borrowers can receive a tax deduction for the interest actually paid on student loans for postsecondary education expenses. For information on both benefits visit www.irs.gov to view IRS Publication 970, *Tax Benefits for Education*.

Financial Aid Eligibility

Attendance

To qualify for financial aid you must begin attending your classes. Attendance information is collected from your instructors and is used to determine whether you began attendance in each of your classes. The credits for unattended classes will not be counted when calculating your enrollment status for determining your financial aid eligibility.

Withdrawal

Federal financial aid is awarded with the expectation that you will attend school for the entire period for which the awards were intended. If you withdraw from all of your classes before you have completed the semester, the college will determine the portion of your federal awards you are entitled to receive according to a prescribed attendance formula. Any unearned disbursed portion of the aid will need to be repaid to the college/U.S. Department of Education.

Withdrawing from some or all of your classes may also impact your eligibility for New York State financial aid for the current or subsequent semester(s).

Satisfactory Academic Progress (SAP)

In accordance with federal and state guidelines and CUNY policy, you must be making satisfactory progress in your program of study in order to remain eligible for federal and state awards. Your academic record will be evaluated at least once each year according to the satisfactory progress standards established for each financial aid program. Please see your college's website for more detailed information regarding these standards.

Financial Aid Lifetime Limits

The amount of Federal Pell Grant Funds you may receive is limited to 12 full-time semesters or the part-time equivalent. New York State TAP is limited to a total of 8 semesters, and for some programs you may receive up to 10 semesters.

Information contained in this booklet is accurate at the time of publication.
