CAMPUS SPECIFIC INFORMATION
The Department of Health Sciences at Lehman College invites applications for a tenure-track Assistant Professor position to begin Fall 2010 to teach and perform research in the new Program in Exercise Science and in the Human Performance Laboratory. The Department also offers undergraduate and graduate programs in Dietetics, Foods, and Nutrition, Health Education/Promotion, Health Services Administration, Recreation Education/Therapy and Public Health (MPH). The successful candidate is expected to teach and advise students, engage in scholarly research and publication, seek outside funding, and actively participate in Departmental and College committees and professional organizations.

Lehman College, with over 10,000 students, is part of The City University of New York, the nation's largest urban public university, and is a coeducational college offering bachelors and masters degrees in more than 90-degree programs in the liberal arts and professions. For more information, please visit our websites: www.lehman.cuny.edu and www.lehman.cuny.edu/deanss/healthsci.

MINIMUM QUALIFICATIONS
Ph.D. degree in area(s) of expertise, or equivalent as noted below. Also required are the ability to teach successfully, interest in productive scholarship or creative achievement, and ability to cooperate with others for the good of the institution.

OTHER QUALIFICATIONS
Candidates must have a doctoral degree in exercise science and evidence of research and publications.

COMPENSATION
Commensurate with experience and qualifications

BENEFITS
CUNY offers a comprehensive benefits package to employees and eligible dependents based on job title and classification. Employees are also offered pension and Tax-Deferred Savings Plans. Part-time employees must meet a weekly or semester work hour criteria to be eligible for health benefits. Health benefits are also extended to retirees who meet the eligibility criteria.
