

Dear Faculty,

This is a friendly reminder for all instructors who have not made up the class materials due to the snow closure on March 4, 2019 have an option to use May 15 as a make-up day. There are courses, such as laboratories and clinical, which may require alternate plans in identifying a space. If you decide on this option, kindly contact the Office of the Registrar at [Scheduling.Registrar@Lehman.Cuny.Edu](mailto:Scheduling.Registrar@Lehman.Cuny.Edu) for further assistance.
