

## Explore Cuba with "Lehman in the Provinces"

## Exciting Faculty Opportunity to go to Cuba!

Join us on what is sure to be a unique engagement opportunity in one of the most beautiful and exciting places in the world! The "Lehman in the Provinces" program, our research and teaching partnership with The Universities of Sancti Spíritus and Camagüey in Cuba, invites interested Lehman faculty to join our trip to Cuba this year. We have two delegations traveling to Cuba this summer, so choose the one that is most enticing: Camagüey, June 1-8 or Sancti Spíritus, June 4-11. Although you will participate in all official activities, you will also have a separate schedule, aligned with your research and teaching interests, to meet Cuban colleagues and explore future partnerships. Although we have no dedicated funds to pay for faculty travel for this particular trip, there are possibilities for funding once you are a part of the program. Please email [Teresita Levy](mailto:Teresita.Levy@lehman.edu), Director of the Center for Global Engagement, for itinerary and pricing details.
