The *CUNY Ethics and Morality Essay Contest* is funded by an endowment gift of \$100,000 to the City University of New York by Dr. K. York Chynn and his wife Noelle Chynn. This annual award is intended to promote and stimulate thinking by college students at CUNY about the topic of ethics, morality, and virtuous behavior in their lives. More than ever, these issues arise not only in the personal relationships of individuals and family and friends, but also in the context of corporate, government, and social responsibility, whether it is about treating others fairly and honestly, or food safety.
