Instructional Support Services Program • Fall 2018

Workshops at the Academic Center for Excellence (ACE)

Registration required unless otherwise indicated. To register for a workshop, please call (718) 960-8175. Location TBA upon registration.

Wait, What Did I Just Read?:

Strategies for Reading Difficult Texts

This workshop helps students develop strategies for reading various types of texts, including scholarly articles drawn from different disciplines. Sat 9/29, 10:30 AM-12 PM. Wed 10/17, 3:30-5 PM. Tues 10/23, 5:30-7 PM. Mon 11/5, 11 AM-12:30 PM. Registration required. Location TBA.

Paraphrasing & Summarizing

This workshop offers a review of paraphrasing and summarizing, essential tools for research-based writing. Students will practice each with a sample text, and receive feedback on their work. We'll address how careful use of these tools helps us to avoid plagiarism. Thurs 9/20, 6-7:30 PM. Wed 10/3, 3:30-5 PM. Sat 10/20, 10 AM-11:50 AM. Mon 11/19, 11 AM-12:30 PM. Registration required. Location TBA.

APA Citation Format

A 60-minute overview of the basics of APA citation format. Wed 9/19 at 2 PM. Thurs 9/27 at 3 PM. Mon 10/22 at 11 AM. Wed 11/14 at 6 PM. Registration required. Location TBA. Visit the ACE in Old Gym 205 for individualized assistance with any citation format. Our writing tutors are ready to help you.

Strategies for Success

This workshop series is for all students who want to achieve more, in college and in life. Come to as many workshops as you wish. Registration is required for each separate workshop. Wednesdays, 3:30-5 PM.

Goal-Setting and Time Management 9/26
Studying Effectively 10/10
Productivity Apps for Enhanced Success 10/24
Planning for Finals 11/14

Introduction to Academic Writing

This workshop provides an overview of the research writing process. Tips on project planning, creating a framework for your ideas, working ethically with sources, and more. Academic conventions in different disciplines will be addressed. Students in all fields are welcome. Undergrads: 11/7, 4-6 PM. Graduate students: Mon 11/12, 2-4 PM. Registration required. Location TBA.

Writing the Personal Statement

This workshop provides guidance in crafting personal statements for internships, scholarship applications, and graduate programs. Bring your essay draft, if you have one. Friday 11/2, 12-1:30 PM. Registration required. Location TBA.

Effective Writing

Come to one or more sessions reviewing elements of the writing process. Each session is different, and offers tips on writing clearly and concisely. Students will have the opportunity to receive feedback on their work. Tuesdays, 12-12:50 PM. First workshop on 9/25; last workshop on 12/4. Registration required. Special Saturday "Boot Camp" session: 11/10, 10 AM - 1 PM.

English Conversation Group

For multilingual students seeking to build their fluency in English conversation, this weekly group provides an opportunity to practice English and make new friends. Participants will discuss current issues, tackle short readings, and even go on short field trips. Wednesdays at 12 noon. First session on 9/26; last session on 12/5. No meeting on 11/21. Location: Old Gym 205.

Friday Mornings at the ACE

Get a head start on your weekend! Drop by the ACE computer lab at any time between 10 AM and 12 PM to work on your paper. As you work, a tutor will be available to provide feedback and tips. Dates: 9/28, 10/12, 10/26, 11/16, 11/30 and 12/7. Location: Old Gym 205. No registration required.

Workshops at the Science Learning Center (SLC)

SLC workshops review lecture material for select courses in the natural sciences at Lehman. Times and locations TBA. No registration required. Call (718) 960-7707 or stop by Gillet 133 for more info.

COURSE REVIEW WORKSHOPS

CHE 114: Essentials of General Chemistry

CHE 120: Essentials of Organic Chemistry

BIO 181: Anatomy & Physiology I

BIO 182: Anatomy & Physiology II

Course Review Workshops will be conducted 1-2 weeks prior to each exam. Please check Blackboard or your email for more info, or call and/or stop by the SLC (GI-133).

PEER-LED TEAM LEARNING (PLTL)

CHE 114: Essentials of General Chemistry (Wallace)

CHE 120: Essentials of Organic Chemistry (Ravi)

Students in any section taught by instructors participating in Peer-Led Team Learning may attend PLTL workshops. PLTL Workshops will be conducted each week, and are course- and instructor-specific.

SUPPLEMENTAL INSTRUCTION (SI)

Supplemental Instruction (SI) offers peer-led review sessions for selected "traditionally difficult" courses in Biology, Chemistry, Physics, Economics & Business (Accounting), and Psychology. Sessions are facilitated by a trained SI

leader twice per week. To find out if there is an SI session for your course, check your email or Blackboard, ask your professor, or check our website, www.lehman.edu/issp, for the SI course list this semester.

Academic Coaching

One-on-one meetings with an academic coach can help you build your toolkit for academic and personal success. Areas addressed include time management, test-taking and more. For more info, please call (718) 960-8175 or visit www.lehman.edu/issp.
