Music Building**

Registration and additional information to follow.

## About the New York State ACE Network

The ACE Women's Network is a national system of networks within each state, Puerto Rico, and the District of Columbia with the goal of advancing and supporting women in higher education. Each state network is led by a state coordinator who works with institutional representatives and at least one presidential sponsor to develop programs that identify, develop, encourage, advance, link, and support (IDEALS) women in higher education careers within that state.

### **WHAT IS THE PURPOSE OF THE N.Y.S. ACE WOMEN'S NETWORK?**

The New York State Women's Network seeks:

- to develop and promote the advancement of women in high education in NY state
- to increase the number, visibility, and influence of women in leadership roles in higher education
- to establish linkages among and between women and trustees, legislators, policy makers, search firms, and other organizations
- to develop an agenda of policy issues affecting women in higher education
- to support, encourage, and strengthen the state and regional associations
