

Rapid Expansion of Lehman Pre-Health Achieves Improved Outcomes

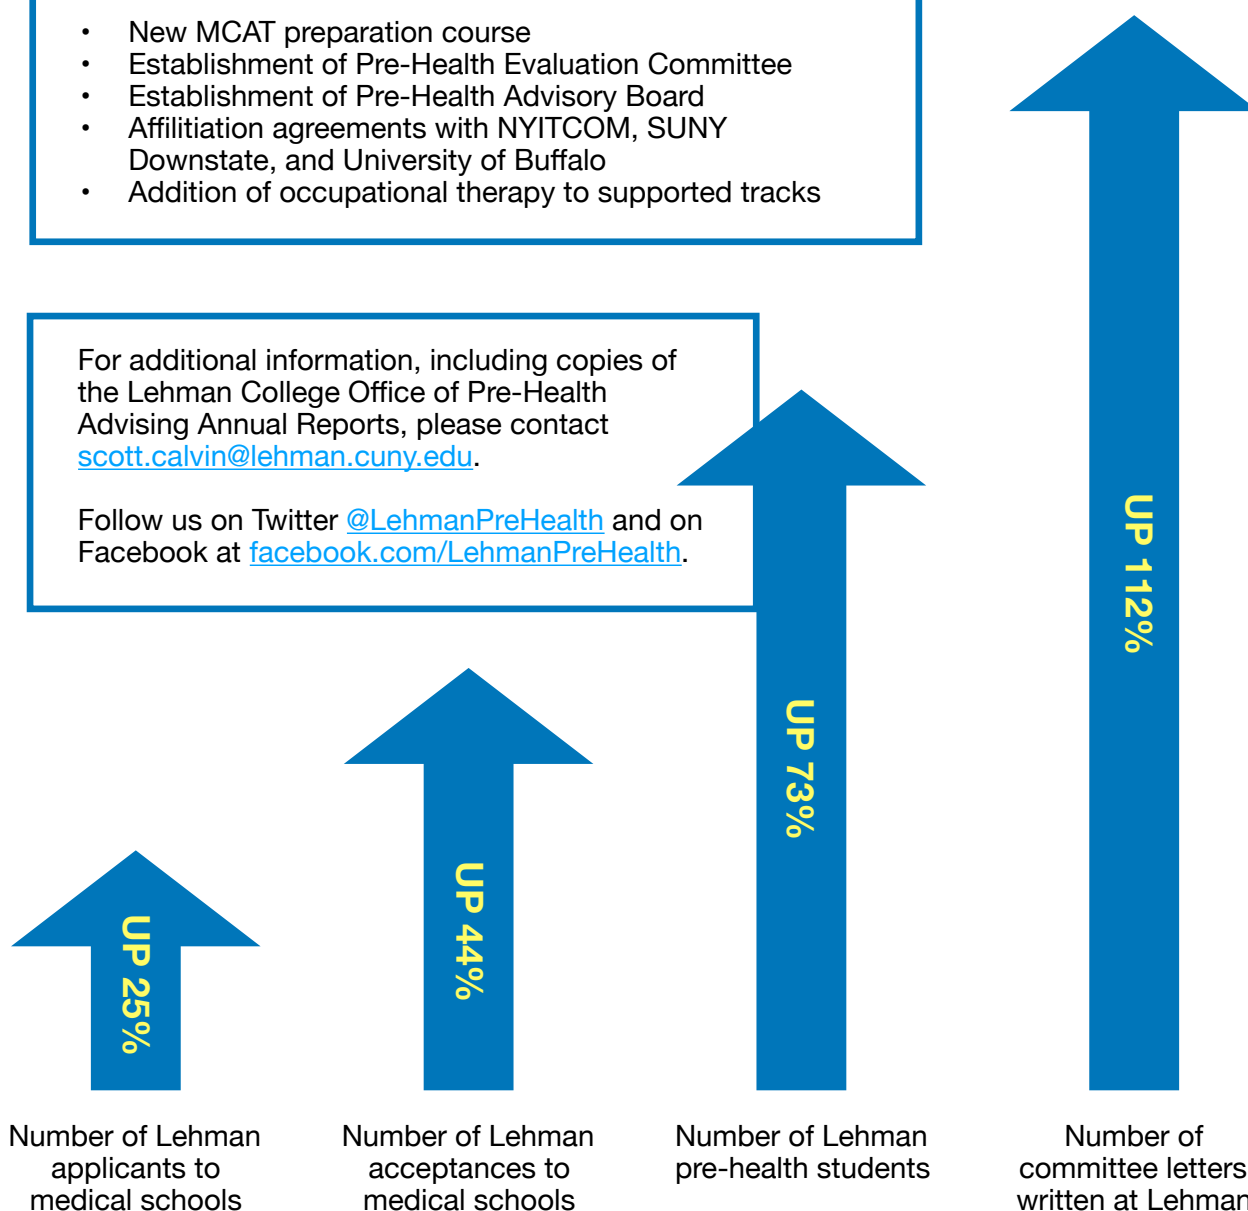

Starting in 2016, the pre-health programs at Lehman have been reorganized and expanded. Since the expansion, our Lehman graduates are more successful than ever!

Recent Pre-Health Initiatives

- New MCAT preparation course
- Establishment of Pre-Health Evaluation Committee
- Establishment of Pre-Health Advisory Board
- Affiliation agreements with NYITCOM, SUNY Downstate, and University of Buffalo
- Addition of occupational therapy to supported tracks

For additional information, including copies of the Lehman College Office of Pre-Health Advising Annual Reports, please contact scott.calvin@lehman.cuny.edu.
