presents a *World Music* performance

Radio Jarocho with **Zenen Zeferino**

Radio Jarocho plays the rowdy, upbeat, and at times melancholic music of the countryside of Veracruz, Mexico, called son jarocho, and has been mixing it with the sounds of New York's urban life for over ten years. Having recently joined forces with son jarocho legend Zenen Zeferino, they deliver performances that are passionate, energetic, and true to the roots of the genre.
