

# Lehman College Bookstore

Hello Faculty,

The bookstore is now accepting all summer 2018 and fall 2018 textbook information. With early textbook orders we are able source all used textbook vendors and secure stock before other schools demands. To guarantee your students the option to purchase used condition textbooks, please place your order(s) by **Friday, May 11, 2018**

**The bookstore obtains all textbook information directly from CUNYFirst. We encourage you to please submit your textbook order(s) using the CUNYFirst system.**

**\*\* If you are not requiring a textbook for your course please email us directly\*\***

If you have any questions or concerns regarding textbook decisions or need assistance in ordering your course materials please contact myself [1270mgr@follett.com](mailto:1270mgr@follett.com) or course materials manager Melbourne Sinclair at or [1270txt@follett.com](mailto:1270txt@follett.com).
