

## **Enhancing Your (Online or Hybrid) with Open Educational Resources (OER) – June 3-14, 2019**

Faculty are invited to register for a two-week online workshop entitled “Enhancing Your (Online or Hybrid) with Open Educational Resources (OER)” from [June 3-14](#). Replacing an expensive text with low-cost or free-to-students learning materials requires major changes to your course design. Join your colleagues in this professional development opportunity that could enhance your teaching and learning as you refresh and renew your course. Faculty are eligible for up to \$550 payment for 10 hours at their NTA rate. Register at <https://tinyurl.com/OER-Lehman>
