Open Textbook Network Workshop

Are you concerned about the impact of high textbook costs on your students?

Open Educational Resources [OER] provide an excellent opportunity to save students hundreds - if not thousands - of dollars on textbooks.

What You Can Do

Attend the *Open Textbook Workshop* - a 90-minute session where you can discover open textbooks in your field. After the workshop - you'll be invited to write a short review of an open textbook from the Open Textbook Library [<http://open.umn.edu/opentextbooks/>].

Your review will benefit other faculty considering open textbooks. You'll receive a **\$200 stipend** for your written review.

All Lehman faculty and adjuncts are welcome to attend

Workshop facilitated by Madeline Cohen and Alison Lehner-Quam
