PROJECT: Enterprise Initiative Set-Aside

Person Responsible for Project: Joseph Middleton

Telephone number: 718 960-8693/718-960-8421

Description of Project (attach additional sheets if necessary)

Department of College Affected: All Departments

Brief Narrative:

Access: These funds are being set aside for Enterprise Technology Initiatives approved by the CUNY IT Steering Committee for the University. Lehman College participates in these initiatives, which include the Microsoft Campus Agreement, Internet 2 service, Symantec NAV for home use, Stellent licensing, Gartner Research subscription, and others.

Project cost: $151,778.
Access/Student Support – Continue funding for seven full time positions funded by the Techonology Fee last year:
Student Instructor/Help Desk Supervisor (HE Assistant), IT Center Supervisor, 2nd Shift (IT Associate), Campus User Support Assistant (IT Assistant), Technical Coordinator in Natural and Social Sciences Division (Asst. to HEO), Library Tech Support/Faculty Development (College Lab Tech), Technical Coordinator in Education Division (Asst. to HEO), Technical Support Staff for Student Affairs (Asst. to HEO P/T)

These staff positions have provided additional hours of operation for the Academic IT Center, support for student technology across the campus, training workshops in use of technology for students, and divisional support for technology needs. This funding allocation continues the existing staff positions.

PROJECT: Student Printing Services

Person Responsible for Project: Joseph A. Middleton
Telephone number: 718-960-8421

Description of Project (attach additional sheets if necessary)

Department of College Affected: All Academic Departments

Brief Narrative:

Access/Student Services: Student Printing Services in the Academic IT Center, the Library, and all student labs. This fund will be used under the Lehman Print System to serve as the basis for the yearly allocation of free printing for students. It also provides funding for printing in student facilities not served by the Lehman Print System and for specialized printing needs (e.g. graphics labs).

Project cost: $76,000.

PROJECT: Email Server

Person Responsible for Project: Joseph Middleton
Telephone number: 718-960-8421

Description of Project (attach additional sheets if necessary)

Department of College Affected: All Students, Faculty, and Staff

Brief Narrative:

Student Services/Access: Provide Web-enabled email access for students. Funding was initiated in AY2002-2003, at $30K per year, to cover email related costs for students, faculty, and staff. The College has now moved students to the Live @ Lehman email system. Ongoing annual costs associated with providing email services for students include hardware and software maintenance of the Live @ Lehman related servers and backup systems. The student email system provides a dependable means of communication with students for faculty and administrative offices.

Project cost: $10,000.
Date Submitted: October 16, 2008
Fiscal Year: 2008-09

PROJECT: Contingency Fund/Time and Materials Maintenance

Person Responsible for Project: Joseph A. Middleton
Telephone number: 718-960-8421

Description of Project (attach additional sheets if necessary)

   Department of College Affected: All Academic Departments

   Brief Narrative:

   While many older computer systems are still in use, there is a need for maintenance of these systems to keep classrooms and instructional labs functioning. Also networked laser printers used in these facilities need occasional repair to keep them operational. These funds will address this need. This fund now includes replacement of projector bulbs and similar maintenance issues and establishes a contingency fund for unexpected, but necessary, expenditures (e.g. mandatory upgrade of software because old software will no longer function).

   Project cost: $50,000.

PROJECT: Network Equipment Maintenance

Person Responsible for Project: Joseph A. Middleton
Telephone number: 718-960-8421

Description of Project (attach additional sheets if necessary)

Department of College Affected: Information Technology Resources

Brief Narrative:

Student services: The College upgraded network services on campus through the Network Infrastructure Initiative. Performance and reliability of the network are critical to students’ course work and access to other College services. This allocation will cover a portion of the maintenance costs for network equipment which provides network access to student facilities.

Project cost: $33,000.

PROJECT: Web Server Maintenance

Person Responsible for Project: Joseph A. Middleton

Telephone number: 718-960-8421

Description of Project (attach additional sheets if necessary)

Department of College Affected: Information Technology Resources

Brief Narrative:

Student services: The Technology Fee funded purchase of a Web server for the College in FY 2004. This allocation will fund ongoing hardware and software maintenance for the server, which is being used to provide new and enhanced interactive Web applications for students.

Project cost: $6,000.

PROJECT: Blackboard Software License

Person Responsible for Project: Joseph A. Middleton
Telephone number: 718-960-8421

Description of Project (attach additional sheets if necessary)

Department of College Affected: All Academic Departments

Brief Narrative:

Student services: CUNY/CIS is providing enterprise edition Blackboard 6 license for the University. Lehman currently uses Blackboard for many of its courses, from full on-line instruction to web-assisted instruction. This allocation will cover Lehman’s share of the cost the Blackboard license.

Project cost: $42,344.
