

# Leonard Lief Library Mission Statement

The Leonard Lief Library supports Lehman's educational mission and is committed to providing staffing, facilities, resources and services that meet the information and scholarly needs of members of the College community, help foster personal and professional development, and inspire lifelong learning.

The Library is committed to:

- ❖ Providing a friendly, welcoming environment
- ❖ Maintaining comfortable, attractive facilities that promote research and study
- ❖ Acquiring print, electronic and multimedia resources that support curricular needs
- ❖ Encouraging information and computer literacy through instruction
- ❖ Adopting innovative technologies that enhance research, teaching and learning
- ❖ Serving as a gateway for the acquisition of scholarship and knowledge
- ❖ Supporting the research needs of the CUNY community and affiliates, as well as users consulting the Government Documents depository and Special Collections.
