

Registration Appointment Dates & Times

Spring 2012 registration appointments are listed below.

Appointment dates & ***specific times*** for continuing students may be viewed on eSIMS. Appointments are staggered in half hour blocks throughout the days listed to prevent an overload of the eSIMS system.

- **New First Time Lehman Students, Transfers & Readmits:** A registration date will be issued by the Admissions Office when your evaluation process is complete.
- **New Incoming Freshmen for Spring 2012:** A registration date will be issued by the Freshmen Coordinator's Office under separate mailing.
- **College Now Students:** A registration date will be issued by the College Now Office in a separate mailing.
- **Students Who Filed for Graduation:** If you have filed, but DO NOT intend to graduate and need to register for the upcoming semester, you MUST CANCEL your graduation and reactivate your record in the Graduation Office (SH 105). Once your record is reactivated, you may register based on the assigned appointment visible in eSIMS.
