VISITING STUDENT CHECKLIST

_____ Compile the information needed to apply as a Visiting Student:
   _____ Completed Application for Visiting College Students
   _____ Copy of your unofficial transcript
   _____ Application fee by check or money order ($65 for New Undergraduate Students, $125 for New Graduate Student, and $20 for returning students; will be billed to your account if you are submitting by fax or via email)
   _____ Immunization Records (All students must complete Part I of the form; students seeking to enroll in 6 or more credits must complete the entire form. Additional information regarding this requirement can be found at: http://www.lehman.edu/student-health-center/immunization-requirements.php).

_____ Submit all application materials to the following address either in-person, by fax, by email, or by regular mail:

Lehman College
Office for Special Academic Sessions
Shuster Hall Room 182
250 Bedford Park Boulevard West
Bronx, NY 10468

Once received, applications are processed and students registered within 48 hours. The Office for Special Academic Sessions will obtain necessary approvals for courses and process student registrations.

Student will receive an email from the Office for Special Academic Sessions confirming their registration status and providing useful information regarding payment for classes, etc.
APPLICATION FOR VISITING COLLEGE STUDENTS

For NON-CUNY only. If you attend another CUNY college, follow the CUNY permit procedures to attend Lehman.

COMPLETE AND RETURN THIS FORM TO LEHMAN COLLEGE

By fax: 718-960-2419; by email: visiting.students@lehman.cuny.edu, or by mail:
Office for Special Academic Sessions, 250 Bedford Park Boulevard West, Shuster 182, Bronx, NY 10468

APPLICATION FEE: $65 for new undergraduate students, $20 for returning undergraduate students
$125 for new graduate students, $20 for returning graduate students

PLEASE CHECK APPROPRIATE BOX: ☐ UNDERGRADUATE ☐ GRADUATE ☐ RETURNING

How did you hear about Lehman? ________________________________

Note: Lehman College does not discriminate on the basis of age, sex, race, color, creed, national origin, physical or mental disability, sexual orientation, marital status, alienage or citizenship status, or veteran’s status.

The college reserves the right to deny admission to any student if in its judgment, the presence of that student on campus poses an undue risk to the safety or security of the college or the college community. That judgment will be based on an individualized determination taking into account any information the college has about a student's criminal record and the particular circumstances of the college, including the presence of a child care center, a public school or public school students on the campus.

(Over)
Proof of immigrant or naturalized citizenship status must be shown in the Office for Special Academic Sessions - Shuster Hall, Room 182 – upon request. Copies of official documents are not accepted.

**Important Note for All Students:** To be eligible for New York State resident tuition rates, you must prove that you have been a New York State resident and that you are either a U.S. citizen or permanent resident or that you possess an eligible non-immigrant status. The information requested will be used to determine if you qualify for the New York State resident rate. **A failure to answer these questions will require you to complete the City University Residency Form.**

Medical Requirements

Meningitis and MMR Immunization Records are required before registration

New York State Public Health Law 2167-Meningococcal Meningitis

New York State Public Health Law 2167 took effect on August 15, 2003. It requires that all colleges inform their students about meningococcal meningitis and the meningitis vaccine. It further requires you to do the following:

   EITHER
   Provide documentation of meningitis vaccination within the last 5 years.
   OR
   Decline the meningitis vaccine by completing Part 1 (on the reverse side of this form) by checking the second box and providing your signature and the date.

Meningitis is rare. However, when it strikes, its flu-like symptoms make diagnosis difficult. Symptoms can include high fever, severe headache, stiff neck, and rash. If not treated early, meningitis can lead to swelling of the fluid surrounding the brain and spinal column as well as severe and permanent disabilities, such as hearing loss, brain damage, seizures, limb amputations, and even death.

Meningitis is spread through the air via respiratory secretions such as coughing, sneezing, kissing or sharing personal items like utensils, cigarettes and drinking glasses. Certain college students, particularly freshman living in dormitories or resident halls, have been found to have an increased risk for meningitis.

A vaccine is available that protects against four types of the bacteria that cause meningitis in the United States —types A, C, Y and W-135. These types account for nearly two thirds of meningitis cases among college students. The vaccine, Menactra, is safe and effective and provides immunity for approximately 5 years. Meningitis vaccine is available at your primary care physician or visit www.istm.org for clinic listings.

To learn more about meningitis and the vaccine and other immunizations for college students, please feel free to contact our health center and/or consult your physician. You can also find information about meningitis at: www.health.state.ny.us, www.cdc.gov/ncidod/dbmd/diseaseinfo, or www.acha.org

New York State Public Health Law 2165-Measles, Mumps, Rubella

If you were born after December 31, 1956 and plan to take 6 or more credits, you are required by state law to prove you are immune to Measles, Mumps, and Rubella in order to attend college. Acceptable proof of immunity includes: your immunization card from childhood, immunization records from high school or colleges you attended, a print-out from the City- or State-wide Immunization Registry, or records from your doctor or clinic. If you do not have proof of immunizations, you must be re-immunized or have a blood test (MMR titer) to show your immunity to all three diseases (your lab report is required).

MMR vaccines are available at the Lehman College Student Health Center free of charge. Blood testing is also available but requires medical insurance. Medical waiver: Any student with a medical condition that prohibits vaccination may submit a doctor’s statement on letterhead for exemption. (Temporary medical conditions, such as pregnancy, require blood titer clearance) Religious exemption: Any student whose religious belief prohibits vaccination must complete the CUNY Religious Exemption form. Exempted students will not be permitted on campus during a communicable disease outbreak.

* You do not need proof of vaccinations if you were born on or before December 31, 1956. However, you must complete Part 1 of the Medical Requirements form concerning meningitis.
