

THE STUDENT HEALTH CENTER

The Student Health Center is located in the T-3 Building, Room 118. The Center offers a wide range of services, including primary and acute care and treatment, urgent care, women's health services, required and elective immunizations, and internship and pre-employment physicals. Basic laboratory services and pharmaceuticals are also available. Preventive health education is a key focus.

The Student Health Center is supported by the Student Activity Fee and, therefore, most services are free or are offered at a significantly reduced cost. Free services include: HIV testing, CPR trainings, urine STD testing, dental and eye vouchers, nutrition counseling, gyn examinations, health insurance assistance and food stamp assistance.

Office hours during the academic year are 9 a.m.-5 p.m. Monday through Friday and Tuesday until 6:30pm. Students with valid IDs may use the services of the Center on an appointment basis. Sick walk-in patients are accommodated. Additional information can be found on www.lehman.edu/studenthealth or call [718-960-8900](tel:718-960-8900).
