BRONX, NY - The women's team from Hunter College and the men's squad from the College of Staten Island took home the championship hardware for the second straight season in the 2003 CUNY Athletic Conference Women's & Men's Swimming and Diving Championships in the Bronx. Both teams were more significantly challenged as Hunter’s margin of victory was only 78 this year, as opposed to 179 point win last year. Staten Island, which won last year by 191.5 points, only managed a 58 point victory in 2003.

In the women’s competition, Hunter won seven events against Staten Island's six, but it was the Hawks’ depth again that proved again to be the deciding factor. The Hawks, the regular season conference champions, were buoyed by one last outstanding performance by senior Maureen McBride who won four gold medals. McBride broke the CUNYAC records in 50 yard backstroke (32.24) and the 100 yard butterfly (1:06.51). The Ridgefield, CT native, who won the #1 singles title in CUNYAC Women’s Tennis this fall, also took the gold in the 100 yard breaststroke (1:17.16) and anchored the 200 yard freestyle relay, which won in 1:54.85.

“If you would have told me 4 years ago that I would have won 16 gold medals, I would have been surprised,” said McBride who earned her third Most Valuable Performer honor. “When I won 4 gold in my first year I made my goal to win 16. To win for the second year in the row makes it even more special, it’s harder to defend the title than win it was tighter than we expected.”

CSI junior Carolina Wroblewski (Staten Island, NY) also won the four freestyle sprint events on the day. Individually the Staten Islander won the 50 yard freestyle (26.99), 100 yard freestyle (1:00.62) and 200 yard freestyle (2:20.70). She also anchored the Dolphins' opening 200-yard medley relay, which topped the meet in 2:13.62. Senior Amy Loeffler (Staten Island, NY) won both diving events for the Dolphins; the one meter with 185.25 points and the three meter with 195.70 points.

John Jay freshman Natalia Villar was the only other woman to win a race. Villar, originally from Lima, Peru, won both individual medley races, the 100 in 1:13.64 and the 200 in 2:39.99.

“It’s not a surprise to me that we won,” said first year Hunter coach Delon Callender. “I expected us to win, but Staten Island’s additions were very helpful. They had us worried for a while after the first diving event.”

The men's competition was much more balanced with York, the fourth place finisher, winning six events; Baruch, the third place finisher, winning five events; and Lehman runner-up, winning three events. Staten Island won only one event, three meter diving, with sophomore Gerard Francois scoring 81.15 points for the victory.

The Dolphins also won based on their team depth as 12 participants scored points for the team, led by sophomore Eugene Gleboy (Brooklyn, NY). He finished second in the 100 yard backstroke and the 100 yard butterfly.

The Most Valuable Performer on the men's side was York's Dennis McIntosh, who broke two of his own meet records. The sophomore from Queens, NY was the only man to earn four gold medals, setting new marks in the 100 yard butterfly (55.54) and the 50 yard freestyle (22.57), while also winning the 50 yard butterfly (24.70) and the 200 yard medley relay (1:50.20).

York freshman Omar Diaz (Uniondale, NY) earned three top honors for the Cardinals. He won the 50 yard backstroke (28.18) and the 100 yard backstroke (1:02.04), while anchoring the 200 medley relay.

Lehman, the host team, had a surprise second place finish as junior Manuel Pantiga (Bronx, NY) broke his own two meet records from last season with a 50.82 mark in the 100 yard freestyle and a 1:55.64 mark in the 200 yard freestyle. Baruch captured third place as junior, Emrah Ertamay (Long Island City, NY) smashed three meet records, as he won the 50 yard breaststroke (29.33), the 100 yard individual medley (59.72) and the 100 yard breaststroke (1:05.07).
