YOUR VOICE MATTERS: CUNY’s Sexual Violence Campus Climate Survey

CUNY’s Sexual Violence Campus Climate Survey asks students about their awareness of university services, protections, and experiences with campus sexual harassment and sexual violence.

The CUNY Sexual Violence Campus Climate Survey is now open through Thursday, April 21st. This means that you still have time to complete the survey and enter daily raffles for MetroCards with a value of $65.

**WIN MetroCards:** All students who complete the survey are eligible to enter into daily raffles for MetroCards with a value of $65. Starting April 12th and ending April 21st, each day two students who submit their surveys that day will be randomly selected to receive MetroCards with a value of $65.

CUNY’s Sexual Violence Campus Climate Survey is anonymous and your responses cannot be traced back to you. This is an online survey that you can take on your smartphone, tablet or desktop. The survey will take about 10-20 minutes to complete.

Why should you take the survey? Because...

- 1 in 5 women and 1 in 16 men are sexually assaulted in college
- 40 percent of survivors fear reprisal by their attacker
- Only 2 percent of incapacitated rape survivors report assault
- Only 13 percent of rape survivors report assault
- 8 in 10 survivors knew their attacker

Why should you take the survey? Because...

Working together we can further our efforts to make our college a place where all students feel safe, supported and respected. The voice of every student counts.

YOU can make a difference! Change begins with all of us.
