Wellness Education and Promotion
Greetings Lehman Students,

Welcome new and returning students! The Office of Community Engagement and New Student Programs is dedicated to helping you transition to Lehman College. I encourage you to find at least one thing that connects you to the Lehman campus; this can range from an on-campus job, to volunteering in the community, to participating in a research study related to your major. We know that your first weeks on campus are especially important in building the foundation for your success at Lehman College. That is why we have created this “Weeks of Welcome” booklet. Enclosed in this booklet is the schedule of activities and programs that will take place between Thursday, August 25, 2016 and Sunday, October 2, 2016. Events are updated daily, so be sure to check out the campus events calendar at www.lehman.edu.

The fun starts on Thursday, August 25, 2016 with campus events that will help you learn more about the college and establish relationships with other students, faculty and staff. Be sure to join us on Wednesday, August 31, 2016 at the Fall Semester Kick-Off event to cheer on Lehman Athletics, meet clubs, offices and departments and enjoy free pizza! Giving back to your community is an essential aspect of the Lehman College experience, sign-up to volunteer with many community-based organizations at the Community Engagement Fair on Wednesday, September 14, 2016, sponsored by our office. The fun continues at the 2016 Fall Club Fair sponsored by the Student Government Association on Wednesday, September 7, 2016.

It is our goal that by the end of Weeks of Welcome, you will have found a connection to our campus and build a network of friends and supporters that will help you succeed at Lehman.

Best wishes,

Amanda J. Dubois-Mwake
Director
