

## Swivl: Downloading Videos

Login to Swivl > Videos > Select video to download > Click the three dots on the top right corner > More

The screenshot shows the Swivl interface for a video titled "Chemistry - Period 3.mp4". The video player is on the left, and the right side contains a "Comments" section and a menu. The menu is open, showing options: "Project data", "Speech analysis", "Move to folder", and "More". The "More" option is highlighted with a purple box. The video player shows a play button and a progress bar at 0:00 / 1:01.

> Select Download

The screenshot shows the Swivl interface for the same video. The menu is open, and the "Download" option is highlighted with a purple box. Other menu options include "Project data", "Speech analysis", "Move to folder", "Edit video", "Send a copy", "Duplicate", "Delete", and "Less". The video player shows a play button and a progress bar at 0:00 / 1:01.

> Click the downward arrow to download video. If prompted, choose size then download the video.
