Lacking quorum, minutes of last meeting could not be approved. We will seek approval at the next meeting with full membership.

**Discussion of New Business:**

Janette Tilley advised that she could not continue serving as Chair of the committee and asked if any members would volunteer to serve. Wesley Pitts volunteered and after calling for and receiving no nominations from the floor, the vote of the members in attendance was called. Wesley Pitts was approved by unanimous vote of those members in attendance. Rene Rotolo will poll the faculty member not in attendance by e-mail.

Rene Rotolo distributed an information sheet listing the membership and functions of the Committee on Campus Life and Facilities.

At the request of Vice President of Information Technology Resources Ronald Bergmann, Rene Rotolo presented to the committee Verizon's proposal to either remove all pay telephones from campus due to a loss in revenue from a considerable reduction in usage; to leave the telephones in place that the College's wishes to keep at a cost of \$70 per telephone per month and a list of 6 locations for phones to be retained was reviewed; or if we allow Verizon to use the telephone enclosure for advertising, the telephones can remain at no cost. The college would have approval over content. After discussion, the members of the committee asked to see a copy of the annual revenue per telephone, (transmitted to members on November 1). The matter along with a final list of telephone to be kept will be further discussed at the next committee meeting.

Students in attendance requests:

- extend breakfast service until 11:30 (currently ends at 10:30 am) in the student cafeteria to accommodate students with classes ending at 11:00. Rene will pass the request on to the appropriate administrator.
- received many complaints from students about smoking too close to the door at Student Life and Carman Hall and requested that the ash receptacles be moved away from the entrances. Rene will forward the request to B&G.
- problems with parking in the student parking lot on Tuesday and Thursday beginning at 9:00 am and ask that the administration look into who is parking. Rene will pass the request on to the appropriate administrator.
- Extend Library hours till 12 midnight close the circulation desk 9:45 – the committee advised that this should be submitted to the Library and Technology Committee.

The meeting adjourned. The next meeting will be held Monday, November 22 at 2 pm location to be announced.  
Cc: members of the committee, Es. Tulier.
