2023-2024 CUNYFIRST DIRECT LOAN REQUEST INSTRUCTIONS

- Federal Direct Loan (FDL) applicants must have a completed <u>FAFSA</u> on file with their CUNY College of attendance before applying for a student loan. If you have any questions, please contact a financial aid representative at your college.
- Please check your CUNY To-Do List in Student Self-Service. Some outstanding items may prevent the processing of your loan request. If you have been selected for verification you need to complete this process prior to the processing of your loan.
- At the time of submission of your loan request, your intent is to be registered for a minimum of 6 credits within a degree-granting program.
- 4. You must indicate your preference for either a subsidized loan only or your willingness to accept an unsubsidized loan as well. An **unsubsidized** loan will not be processed if it is **not requested**. **Graduate** students are only eligible for **Unsubsidized** Direct Student Loans.
- 5. If you are a first-time borrower on or after July 1, 2013, there is a limit on the maximum period of time (measured in academic years) that you can receive Direct Subsidized Loans. In general, you may not receive Direct Subsidized Loans for more than 150% of the published length of your program.
- Maximum annual loan amounts are based on the number of credits you have earned and dependency status. Please click on this link to review an annual and aggregate loan amount chart. <u>Aggregate Loan Chart</u>.
- Federal Direct Loans interest rates and origination fees are determined by the US Department of Education. The origination fee will reduce the amount of loan funds you receive. Click on this link to view the current <u>Direct Loan interest rates and fees</u>.
- If you are a TRANSFER student, your transfer credit evaluation must be reflected on your CUNYfirst account in order for your loan eligibility to be correctly calculated.
- First time Federal Direct Loan borrowers must complete a Student Loan Entrance Counseling and a Master Promissory Note (MPN) at <u>studentaid.gov</u> under the Complete Aid Process menu.
- All correspondence concerning your loan and/or other financial aid will be sent to your college email address. Please be sure to check your email regularly.
- Students must be meeting <u>academic performance requirements</u> in order for the loan to be processed.
- The University recommends you sign up for Direct Deposit so financial aid refunds may be deposited into the student's bank account. <u>CUNY Direct Deposit</u>.
