CONGRATULATORY MESSAGE

From the Vice President for Student Affairs
Jermaine A. Wright, Ph.D.

I would like to take a moment to sincerely congratulate each and every one of you on staying the course and reaching this incredible milestone.

You are standing at the threshold of a new chapter, and what you have accomplished is truly significant. According to the U.S. Census Bureau, only about one-third of adults in the United States hold a bachelor's degree or higher. That fact alone is a powerful reminder of just how far you have come. Take pride in that achievement.

Your journey to this moment has been paved with hard work, resilience, and countless sacrifices. I hope that your time at Lehman College provided you with opportunities to step outside of your comfort zone, embrace teachable moments, and form lasting friendships. Commencement is not solely a celebration of academic success, it is also a recognition of your personal growth, transformation, and unwavering commitment to excellence. You have earned this moment, and I hope you feel a deep and well-deserved sense of pride. Please know that the entire Lehman College community shares that pride and celebrates your accomplishments with you.

As you prepare to take your next steps, whether that involves beginning your career or continuing your education, remember that Lehman College has provided you with a strong foundation. This institution is more than just a place of learning, it is a launchpad for future leaders, innovators, and changemakers. Lehman College consistently ranks among the top Hispanic-Serving Institutions and is nationally recognized for its role in advancing social mobility. You are now part of that powerful legacy and will join a network of more than 90,000 Lehman College alumni who continue to make meaningful contributions in their fields and communities.

I am cheering you on as you move forward with purpose and courage, ready to make a difference. I will leave you with the words of James Baldwin, African American novelist and activist: "Not everything that is faced can be changed, but nothing can be changed until it is faced."

Congratulations once again, Spring 2026 Graduates.

CONGRATULATORY MESSAGE

From the Director of the Career Exploration and Development Center
Bascillia Toussaint

Congratulations on achieving this incredible milestone! Your dedication and perseverance have brought you to graduation, which will open doors to exciting opportunities.

As you step into the professional world, the outlook for 2026 graduates is encouraging but competitive. According to the latest NACE Job Outlook, employers plan to increase hiring by 6%. They are also prioritizing candidates who demonstrate problem-solving, communication, and adaptability skills, along with proficiency in data analysis and digital tools.

Your Action Plan

1. **Leverage Your Career Center:** Employers value prepared candidates. From creating a targeted resume to mock interviews and networking events, the Career Exploration & Development Center (CEDC) offers resources to give you a competitive edge.
2. **Build Your Professional Brand:** Employers look for graduates who can clearly articulate their skills and accomplishments. Use LinkedIn, personal websites, portfolios, and networking opportunities to showcase your unique strengths.

3. **Network Strategically:** The job market thrives on connections. Attend industry events, Lehman College Job and Internship Fairs, engage with alumni, and seek informational interviews to expand your reach.
4. **Know Your Value:** Employers are prioritizing candidates who bring both technical expertise and interpersonal skills. Reflect on your experiences and be ready to communicate how you can contribute meaningfully to an organization.

Your degree from Lehman College has equipped you with the tools to succeed. Now, amplify those tools by partnering with CEDC. Call us at 718-960-8366 or visit our office at Shuster Hall, Room 254, to take the next step toward your future.

Congratulations again on your achievement, and we look forward to supporting you as you launch a career filled with purpose and possibility.

CONGRATULATORY MESSAGE

From the President of the Lehman College Alumni Advisory Board Lawrence Fauntleroy B.A. '18, M.S. '20

Let me begin by offering my warmest and most sincere congratulations.

You have worked, pushed, persevered, and today you stand as graduates of Lehman College. Crossing that stage is not just a moment. It is a declaration that you are ready for the world and that the world should be ready for you. It is an honor to welcome you into the Lehman College alumni family.

You now join a robust and ever-growing community of more than 100,000 Lehman alumni. These are individuals who once walked the same paths, studied in the same classrooms, and dreamed many of the same dreams that you hold today. They have gone on to uplift neighborhoods, reshape industries, lead with courage, and serve with purpose. You are not simply graduates. You are storytellers of Lehman's spirit, and your voice matters deeply.

As President of the Lehman College Alumni Advisory Board, I want you to know that your relationship with Lehman does not conclude with your diploma. It evolves. It deepens. Every time you mentor a student, attend an alumni gathering, share your success, or embody the values that carried you to this moment, you help strengthen the legacy of this institution. Lehman's story continues because of graduates like you, who bring pride and promise into every space they enter.

Today is a milestone, but it is also an invitation. An invitation to stay connected, to lead boldly, and to carry the spirit of Lehman with you wherever life takes you. We are proud of who you are, and even more excited for who you are becoming.

HERBERT H. LEHMAN
GOVERNOR, SENATOR, STATESMAN
1878–1963

Herbert H. Lehman represents the highest standards of honor and integrity in public service.

During four terms as governor of New York State and two terms in the U.S. Senate, he strove to abolish social injustice. He opposed discrimination while supporting reforms that protected union membership and established unemployment insurance. In addition, he began programs for slum clearance and construction of affordable housing. As the first director general of the United Nations Relief and Rehabilitation Administration (UNRRA), he supervised the largest relief effort in history with the shipment of more than 25 million tons of supplies to refugees of World War II. In doing so, he created the forerunner of the United Nations High Commissioner for Refugees. UNRRA also led to the establishment of UNICEF, UNESCO, WHO, and other social agencies of the world organization.

Lehman College, a perennial national leader in social mobility for students from The Bronx and beyond, was formally dedicated in Governor Lehman's name on March 28, 1969, the 91st anniversary of his birth. Today, Lehman, the Bronx's only senior college of The City University of New York, enrolls more than 13,000 undergraduate and graduate students in more than 140 degree programs; with another 14,000 people taking part in continuing education and certificate programs. Each spring, the College commemorates Governor Lehman's birth and honors his legacy by inviting distinguished guests to deliver the Herbert H. Lehman Memorial Lecture.

Commencement Ceremony Conduct

CUNY Lehman College commencement ceremonies are formal and dignified events. Maintaining decorum and respecting the customs enhance the experience for graduates and their guests. Those who choose to participate must respect the rights of others, including Lehman staff, fellow participants, and invited guests. Students should respect their peers, faculty members, administrators, and guests who have come to witness and participate in the conferring of degrees.

Violations of commencement conduct guidelines may result in a disciplinary referral to the Office of the Dean of Students, potentially delaying the posting of the degree until the matter is satisfactorily resolved. You continue to be a CUNY Lehman College student until your degree is conferred. For more information concerning the student code of conduct, please visit the following site: <https://policy.cuny.edu/bylaws/article-xv/>. We kindly remind our students to give special attention to the rules and regulations for maintaining public order during the commencement ceremony. These rules are stated in article 129-a, also known as the Henderson rules, and are essential to ensure that everyone enjoys the event.

The two Code of Conduct rules related to the Henderson rules are listed below for your reference.

1. A member of the academic community shall not intentionally obstruct and/or forcibly prevent others from the exercise of their rights. Nor shall he interfere with the institution's educational processes or facilities, or the rights of those who wish to avail themselves of any of the institution's instructional, personal, administrative, recreational, and community services.
2. Disorderly or indecent conduct on University/college-owned or controlled property is prohibited.

Please note that we request all students to follow certain ceremony etiquette guidelines.

- Decorations are prohibited on the academic gown and hood. Decorations should not interfere with attaching the tassel to the cap. Only the flat top of the black cap may be decorated.
- Words or items diminishing or slandering toward any group, individual or institution, the University, any faculty or staff member, and/or any student are prohibited on graduation caps.
- Graduates are expected to return to their seats after crossing the stage and remain seated until all students have crossed the stage and the stage party has exited.
- Graduates who display signs of being under the influence of controlled substances or alcohol will be removed from the processional and will not participate in the ceremony.
- When it is time for graduates to cross the stage, a staff marshal will signal each row to stand and come forward. Graduates will stand for approximately 15 minutes prior to walking across the stage and returning to their chair.
- After crossing the stage, graduates must return to their chair and remain seated throughout the ceremony. Circumstances permitting, the platform party, faculty, and graduates will participate in a recessional.
- Silly string, beach balls, air horns, and other related items distract from the dignity of the ceremony and are not permitted at the ceremony.

ALMA MATER

There's a college living in the green
Where the young and old and in between
Come to add their luster to the name
Herbert Lehman earned before they came
And because of what its children give
Lehman College finds the strength to live
As a whole nobly greater than its parts
And alive forever in their hearts
Oh may you, Alma Mater,
Grow in stature through the years
And cherish those who come to you
With hopes and dreams and fears
A home in which they learn to be
Honest heirs of a precious legacy
Of beauty, truth, and eternal youth
In mind and spirit free
