

ABSTRACTS

48th Anniversary
Class of 2026

HEBERT H. LEHMAN

Governor, Senator, Statesman

1878 – 1963

Herbert H. Lehman represents the highest standards of honor and integrity in public service.

During four terms as governor of New York State and two terms in the U.S. Senate, he strove to abolish social injustice. He opposed discrimination while supporting reforms that protected union membership and established unemployment insurance. In addition, he began programs for slum clearance and construction of affordable housing. As the first director general of the United Nations Relief and Rehabilitation Administration (UNRRA), he supervised the largest relief effort in history with the shipment of more than 25 million tons of supplies to refugees of World War II. In doing so, he created the forerunner of the United Nations High Commissioner for Refugees. UNRRA also led to the establishment of UNICEF, UNESCO, WHO, and other social agencies of the world organization.

Lehman College, a perennial national leader in social mobility for students from The Bronx and beyond, was formally dedicated in Governor Lehman's name on March 28, 1969, the 91st anniversary of his birth. Today, Lehman, the Bronx's only senior college of The City University of New York, enrolls more than 13,000 undergraduate and graduate students in more than 140 degree programs; with another 14,000 people taking part in continuing education and certificate programs. Each spring, the College commemorates Governor Lehman's birth and honors his legacy by inviting distinguished guests to deliver the Herbert H. Lehman Memorial Lecture.
