Dear Senators.

Please be informed that the April 1st Senate meeting has been **cancelled**. The decision to cancel was made in consultation with all of the Senate committee chairs; it is not possible to meet in person at this time and we are not yet ready to successfully hold a Senate meeting virtually.

The Governance Committee and all committee chairs are currently working with IT to hold our May 6th meeting remotely. We are also creating an inventory of critical Senate issues that require Senate action before the end of the academic year (like the approval of our graduation lists). From these critical issues, the Governance Committee will prepare a condensed agenda for the May 6th meeting. The Senate will only consider critical issues in an effort to make sure that we finish necessary business by the end of the academic year. **Please make every effort to attend our virtual meeting on May 6th.**

A quorum is needed to officially conduct Senate business. Full details about the virtual May 6th meeting will be made available as soon as possible. We also plan to hold a "mock meeting" in an effort to limit technical issues ahead of time. These details will also be announced as soon as possible.

Informational Item: The Undergraduate Curriculum committee wishes to announce an informational item to all Senators. (See email for attachment). Questions on this can be directed to Lynn Rosenberg at lynn.rosenberg@lehman.cuny.edu.

Thank you all for your support and efforts. Stay well!

Best,

Joe Fera

Chair, Governance Committee
