COLLEGE**

**Student Housing
Handbook**

**The Lehman Grand
Residence Life Housing Policy**

Students who reside in The Lehman Grand: 2350 Grand Concourse Residence must accept and abide by a specific set of rules that govern this community and ensure that the rights of all residents are protected. College sponsored living requires a commitment from all residents to respect the rights of all members of the community. It also requires a commitment from residents to protect the physical environment by refraining from dangerous behavior or behavior which causes discomfort and disruption. Residents must recognize that in an educational community primary importance is placed upon protecting students' rights to quiet study, sleep and lounge. Behavior which infringes upon these rights will be regarded as a breach of the community's trust and will be taken seriously.

The following handbook outlines the policies which govern all students who live in The Lehman Grand: 2350 Grand Concourse Residence. All policies apply to visitors as well. This section also outlines the judicial process that has been developed as a means of addressing violations of community policies.

The College reserves the right to make amendments to any of the policies contained herein, with the understanding that students will be informed in writing of any and all additions or changes. Students are responsible for reading all materials on the college website and materials distributed by offices of the College, which contain important information regarding college/university processes and procedures including policies governing student conduct.

In compliance with the Crime Awareness and Campus Security Act, the Lehman College Safety and Security Report is published annually and provides detailed information about the Lehman College Public Safety Staff, relationships with local, state and federal law enforcement agencies, crime prevention education programs, procedures for reporting crimes and other emergencies, campus resources for victims of assault, including sexual assault, fire safety, and general campus safety. Statistics concerning crimes on campus for the most recent three calendar years are included in this report. A copy of the Lehman College Safety and Security Report may be obtained online by going to <http://www.lehman.edu/lehman/public-safety/>.

Occupancy Requirement

(A) You alone must occupy your assigned space during the License Period and may not move to another room without written approval from the Office of Residence Life. (B) Any vacant space in the room may be filled by the Office of Residence Life without prior notice to you. You shall not interfere with any new occupant's use or enjoyment of the space or room. Residents should not occupy both sides of a room when there is a vacancy (i.e. double occupancy). (C) You may not transfer or assign any rights you have under this License to any other person; any attempt to do so shall be null and void. (D) You shall use the room only for dormitory purposes and shall not permit any other person to use the room for any purpose without the Office of Residence Life prior written approval. Residents cannot sublet their residence hall/apartment for any reason (i.e. collect rent, use as Air B&B, etc.) (E) Your housing assignment will be forfeited if you do not occupy your assignment by the end of the semester's Add/Drop period, designated on the academic calendar.

Resident Assistants/Housing Staff

Resident Assistants are individuals who have been trained as peer resources for residents. The "RAs" have knowledge of Lehman College, and they will help in the development of constructive relationships among residents at The Lehman Grand: 2350 Grand Concourse Residence. During your check-in, you will receive information on how to contact your RA's. Your contact with RA's, who are carefully selected for their ability to serve as peer educators, may well be one of your most satisfactory associations at Lehman College and you are encouraged to call upon them for help and support.

Residents interested in becoming RAs for Fall should contact The Office of the Vice President for Student Affairs in Shuster Hall room 204 for an application and explanation of the selection process.

RA's serve in several important roles in order to assist you with your educational and social pursuits. These are:

Emergencies:

RAs are trained in emergency response procedures for situations involving serious physical illness and injury, psychological crisis, and threats to physical safety such as fires, major power failures and dangerous weather.

Peer Advising and Counseling:

RA's assist students with questions about personal and academic issues, and they are trained to provide referrals to resources on campus for more in-depth assistance.

Behavior Management:

RAs ensure that students have access to the Handbook in order to be familiar with the residence hall rules, and they assist students in deciding upon mutual expectations. RAs

also engage students when rules are broken and assist fellow students in learning how to engage and reach mutual agreement about expectations with peers.

Administrative Tasks:

RA's work with students on some basic administrative tasks that concern room assignments and maintenance of physical facilities. RA's work with the residents to create a schedule of duties in the house.

Planning Activities:

RA's work with students, faculty members and others to plan social, recreational and educational activities for residents.

These are the most important roles in which RA's serve on your behalf, but they may serve in other supportive functions as well as those specifically listed. You will have an opportunity to evaluate your RA's performance through the use of a written evaluation during the year.

In the course of their work, RA's, are also expected to adhere to the policies described in this Handbook. Should you ever have questions about your RA's performance or his or her behavior toward you, or if you feel that your RA's actions have been unfair or inappropriate, you may contact the Resident Director and ultimately The Office of the Vice President for Student Affairs.

OCCUPANCY GUIDELINES

Policies and Procedures

Residency in The Lehman Grand: 2350 Grand Concourse Residence is regulated for the security and convenience of all residents by policies and procedures established by The Office of the Vice President for Student Affairs, and by CUNY. The major policies relevant to residency in The Lehman Grand: 2350 Grand Concourse Residence are described both in the body of this Handbook and in the Appendices to the Handbook.

Checking In

The day you check in you will have a number of important tasks to complete. There will be several forms to fill out, and you will receive your keys. An RA will meet with you to review the major policies in this Handbook and to explain the building and the services that are provided at The Lehman Grand: 2350 Grand Concourse Residence. The Lehman Grand: 2350 Grand Concourse Residence Housing staff will be here to help you through the process.

Keys and Access Cards

Keys and access cards are provided for the convenience and security of residents. They remain the property of the Office of the Vice President for Student Affairs and must be returned at the end of the resident's occupancy. ***Charges of \$125.00 per key and \$35.00***

for access cards will be assessed if those items are not returned at the end of the term of the License Agreement or for replacements during the resident's occupancy. Residents may not duplicate keys. Residents may request a receipt for all keys returned to the Housing staff.

Security and safety are of paramount concern in The Lehman Grand: 2350 Grand Concourse Residence. Therefore, non-residents (including parents) may use the premises only if accompanied by residents. Residents may not give their access cards or room keys to anyone, including other residents. Residents who have allowed non-residents access by providing them with keys or access cards may be considered in default of the License Agreement. Never leave keys or access cards in places where they may easily be taken by others and make sure that you know at all times where your keys and access cards are.

Right of Entry

The College/ its representative reserves the right to enter any student space at any time to assess vacancies, complete health and safety inspections (see above), follow up on work orders, and to exterminate pests. Whenever possible, students will be notified before entry.

Lehman College believes in the right to privacy. However, if a situation warrants, university staff reserve the right to enter a room or suite without notice. Such an entry will take place when there is a threat to the health or safety of any resident. A resident who wishes to file a complaint regarding this issue should contact the Director of Residence Life.

Lockouts

If a resident is locked out of his/her room Monday through Sunday, 9:00 AM-5:00 PM, the resident should first check whether a Housing staff member is available. In the event no one is available, the resident should contact the Office of Public Safety at (718) 960-5211. After 5:00 PM through midnight, a housing staff member is available for lockouts via a published duty phone number. Please allow up to forty-five minutes for a staff member to respond. After midnight through 9:00 AM, all residents should contact the Office of Public Safety for all lockouts.

Each resident is allowed three courtesy lock-out per contract year. **A fee of \$10.00 will be charged for each subsequent lock-out**, which will be charged to the resident's account. After the fourth lock-out within one month, the resident will be charged minimally for a lock change (\$125.00). If the lost key includes the front entrance door, the resident will also be responsible for the replacement of all front door keys to the house.

The resident needs to be physically present at their room door in order for the door to be unlocked. Keep in mind that once the Housing staff member/Public Safety Officer is called to perform the lock-out, the resident's account will be charged for the lock-out fee.

Guest Policy

The guest policy has been developed to protect residents' rights to security, privacy and comfort; to promote the "fair use" of shared living spaces; and to curtail unauthorized

persons from entering or staying in Lehman College Bedford Park Residence. Violations of the guest policy will result in disciplinary action and suspension of guest privileges.

A guest is considered any person who is not a current resident of The Lehman Grand: 2350 Grand Concourse Residence. Guests must have in their possession a valid PHOTO ID in the form of a school ID card or a government-issued Driver's License or Identification card. Guests must always comply with a Housing staff member when asked to present ID. For the safety of all residents, each resident host must escort his/her guest(s) at all times. The behavior of guests is subject to the same regulations as apply to residents, and it is the responsibility of the resident hosts, who will be held accountable for the behavior of their guests, to ensure that guests understand their rights and obligations. The Housing staff reserves the right to remove non-residents from the property if they are non-compliant with Lehman College staff or CUNY policies.

Each resident is allowed to have up to two guests at a time; however, the total number of people in a room at any given time **should not exceed eight (8) people**, even if the additional people are residents of The Lehman Grand: 2350 Grand Concourse Residence. For a guest to stay more than 24 hours, the resident must complete and submit a guest form, which requires the signature of his or her roommates. Their signature(s) are required so that The Lehman Grand: 2350 Grand Concourse Residence staff will have confirmation that permission for the guest's visit has been granted by all residents of that room.

Cohabitation is strictly prohibited. An **overnight guest** is considered any person that is still **visiting after 1:30 am**. No guest may stay as an overnight guest more than three nights in a fourteen-day period, or more than six nights within a month, regardless of the resident host. If there are extenuating circumstances regarding the duration of stay, you may contact a Housing staff member to discuss your individual situation. The College and its RAs retain absolute discretion to determine whether a guest is acting in an inappropriate, disruptive, threatening, or non-compliant manner. In such circumstances, the RA may direct the guest to leave the residence hall immediately, and failure to comply may result in further disciplinary or administrative action.

Guests may not sleep in lounges or public areas of the building. Guests under the age of 16 are not permitted, unless accompanied by a parent or guardian, and may not stay overnight, unless prior approval is granted by a Housing staff member.

Guest Guidelines

- Residents of a suite must discuss expectations regarding guests at the beginning of the year via the roommate agreement form. Residents will be expected to abide by the agreed upon standards regarding notification of guests, hours of visitation, etc.
- Host residents are responsible for the actions of their guest(s). If a suitemate does not approve of a guest, that guest may not stay in the room.
- Residents with concerns about a guest should speak with their roommate first, and then, if necessary, with Lehman Grand Staff.

- An overnight guest is considered any person that is not signed-out by midnight or is signed-in between the hours of midnight and 8:00 AM.
- No guest may stay as overnight guest more than two nights in a seven-day period, regardless of the resident host. A host may not have overnight guests more than 12 nights a month. If there are extenuating circumstances regarding the duration of stay, you may contact the Residence Life Office to discuss your individual situation prior to your guest's arrival.
- Guests may not sleep in lounges or public areas of the building. In addition, guests may not sleep in the suite's common areas without permission from all suitemates.

Room Changes

Room changes requested because of a serious deficiency in a room should be brought to the immediate attention of The Lehman Grand: 2350 Grand Concourse Residence staff. Residents are encouraged to attempt to resolve conflicts among themselves; however, if additional mediation and assistance is needed, the RA can assist in this process. Such conflicts usually do not constitute grounds for termination of the License Agreement unless the conflict involves a violation of the rules that results in termination.

Residents who believe they have a valid reason for requesting a transfer should make a formal written request to the Director of Housing, including detailed reasons for the requested transfer. If the reason is valid, space is available and the resident's current room is left in satisfactory condition, the resident will be notified of a new assignment. To complete the transfer process, after a request is granted, the resident must agree to a specific moving date; arrange for the inspection of the current room with The Housing staff; agree to pay all fees and damages attributable to the resident; enter into a new License Agreement for the balance of the term that reflects the bedroom into which the resident has moved; and pay a \$100.00 transfer fee.

Check-In and Check-Out

Check-in is the designated time at the beginning of the academic year during which residents must appear in person to sign for and pick up their room keys. Check-in must be done during designated dates/times. During check-in a staff member will complete a room inventory form with you. Please be sure that the room inventory accurately reflects the condition of your room and the furnishings in it. You will be financially liable for any damages that occurs to your room or its furnishings. You will also be charged the replacement cost of any furniture which is missing from your room when you check out.

Check-out occurs at the end of an academic year (unless the College has terminated the License Agreement earlier).

Before you check out of your room:

- You should remove all personal belongings and clean the room. Once your room/apartment is empty and clean a staff member will go with you to review and complete your room inventory.
- Remove all personal belongings, trash, decorations, and/or alterations. Items left behind will be considered abandoned and discarded at the residents' expense.
- All furniture must be returned to its original location.
- Your residence must be cleaned, vacuumed and returned to the same condition that it was in when you moved in.

Students who are graduating or who are not returning to the room/apartment may not remain in the residence during intersession (the period between the end of a semester and the beginning of the following semester). Students who do not check out on time will be fined for improper check-out and late charges. Students are billed at the rate of \$100 per day for overstays. Students who refuse to vacate as scheduled will be locked out and will be charged minimally \$125 for a lock change. Residents who are not authorized to renew their License Agreements, or who have not formally renewed their License Agreements by the deadline for the following academic year, are required to vacate their rooms by their contract termination date, as specified in the Housing License Agreement.

Steps for completing a proper checkout are:

1. Contact your RA to pre-arrange a time to check out. You are required to sign up at least 48 hours before you want to check out, and you must be ready at the scheduled time.
2. Remove all personal belongings, trash, decorations, and/or alterations. Items left behind will be considered abandoned and discarded at the resident's expense.
3. All furniture must be returned to its original location.
4. Your residence must be cleaned, vacuumed and returned to the same condition that it was in when you moved in.
5. Meet your RA at your scheduled time and accompany him or her for formal assessment of your residence via the relevant Room Condition Report(s) and checkout verification. Students who fail to schedule a checkout or are not ready at the scheduled time must wait until a staff member is available and may be charged an improper checkout fee.
6. Give your key to the RA. Upon checkout, your access card will be disabled. Simply returning keys neither cancels a License Agreement nor constitutes a proper checkout.
7. While the resident is not required to be present during the move-out inspection, the resident may request an inspection appointment for a joint inspection by the resident and a Housing staff member. Such appointment must be requested at least seven (7) days prior to move-out, and all of the resident's possessions must be removed by the time of the inspection.

Once you have checked out, or the move-out deadline has passed, you may not remain in The Lehman Grand: 2350 Grand Concourse Residence without prior written approval from a Housing staff member, and you must follow the current guest/escort policy. Per the

Housing License Agreement, failure to check-out by contract termination date or improper checkout may result in a holdover fee of \$100.00 per day or portion of a day being charged to your account (resident's student account).

Condition of Premises at Conclusion of Term and Condition of Premises

Residents are required to surrender their premises and common areas in a clean and sanitary condition and in the same condition as at the beginning of occupancy, except for normal wear. Residents are responsible for all damage to the premises caused, directly or indirectly, by the residents or the residents' guests or invitees, including the residents' assigned living space and common areas.

Residents are given the opportunity to complete and submit a Room Condition Report during check-in to note any existing conditions that require repair or replacement. Residents have three (3) days from the receipt of their keys to submit Condition Reports to Housing staff members. If a resident does not return his or her Report within that time, a Housing staff member may refuse to accept the Report, in which case that resident will forfeit the right to claim that there was prior damage to the unit.

Condition of Furniture

Residents are required to take good care of the furniture in their rooms and agree to return the furniture to The Lehman Grand: 2350 Grand Concourse Residence at the termination of their License Agreements in as good a condition as received except for reasonable wear. Residents may not disassemble any existing furniture or fixtures, nor shall they remove any furniture from their assigned apartments without written permission from the Housing staff. Oversized and/or heavy furniture is not permitted in any apartment unit, including, but not limited to, all types of lofts, wood structures, bars and waterbeds. The use of both temporary and permanent hot tubs is prohibited.

Common area furniture is intended for the enjoyment of all residents and may not be removed from common areas. Missing furniture will be considered stolen and handled through public safety as a crime.

Abandoned Items

Any items of personal property that are left in the premises after checking out, after the published hall closing deadline, after an administrative removal, after a relocation or room change deadline, or in the event of non-approved extensions, will be considered to be abandoned and will be disposed of at the resident's /owner's expense.

Conservation

As members of the global, campus, and The Lehman Grand: 2350 Grand Concourse Residence community, we all have an obligation to conserve resources such as energy and water. Conservation also will help minimize increases in rent costs due to utility usage, so keep the following measures in mind throughout your experience living at The Lehman Grand: 2350 Grand Concourse Residence.

Conservation Measures

- Turn off all lights when you leave a room.
- Do not run water longer than necessary.
- Turn off all appliances, including the W and stereo, when not in use.
- Report leaks, toilet problems, and nonfunctioning windows immediately.
- Close the window blinds in the evening and open them in the morning to admit sunlight.
- In the summer, close the blinds in the morning to reduce sunlight and open the blinds after sundown.
- Close all windows and doors when the heat or air conditioning systems are operating.
- Schedule your laundry so that the washing machine is always done with full loads.
- Do not block air vents.

Agreement Release Request

In the event of extenuating circumstances, residents may apply for a release from their License Agreements. Such circumstances may include withdrawal from Lehman College under CUNY's medical withdrawal policy or active military service. To be considered for release from the License Agreement, the resident must submit a Petition for Contract Cancellation form, which should include detailed reasons for the request and relevant documents supporting the request. These documents may include school letters of dismissal, medical documentation, or military orders. If the request is approved, an early cancellation fee of \$1,000.00 (ONE THOUSAND DOLLARS) will be charged to the resident's account, unless the room can be contracted to another qualified applicant, in which case a contract transfer fee of \$200.00 (TWO HUNDRED DOLLARS) will be charged. If applicable, CUNY's medical withdrawal policy will govern the determination on requests for release. In all other situations, the guidelines for release are restrictive and final determination lies with the Housing staff, in consultation with the Office of the Vice President for Student Affairs.

Removal for Renovation or Repair

The Management reserves the right to reassign residents to other rooms if there is a need to provide for renovation or repair of the premises. Reasonable effort will be made to minimize the inconvenience to residents and, whenever possible, advance notice will be given to residents of the nature and time of the work that will be done. Residents may not withhold license fee payments due to removal for renovations or repairs.

Roommate Rights and Responsibilities

Roommates are responsible for:

- Preventing unreasonable noise, undue interference, and other distractions that may inhibit roommate's ability to read, study, relax, and sleep.
- Respecting roommates' personal belongings.
- Assisting to maintain a reasonably clean living environment.
- Allowing roommates free access to room and facilities.

- Not engaging in intimidation or threatening or inflicting physical and/or emotional harm to others.
- Demonstrating reasonable cooperation in the use of common use items (such as TVs, radios, etc.) and in adhering to agree upon procedures.

Roommates have the right to:

- Read and study free from undue interference in their own rooms. Unreasonable noise and other distractions inhibit the exercise of this right.
- Sleep without undue disturbance from roommates, or guests of a roommate.
- Expect that roommates will respect each other's personal belongings.
- A reasonably clean environment in which to live.

Expect reasonable cooperation in the use of common use items (such as radios, etc.) and in adhering to agree upon procedures. Upon move-in, RAs should encourage and help roommates to complete roommate agreements. Such agreements should include items such as mutually agreed upon visitation rules, room quiet hours, and rules concerning borrowing property.

Mediation

The Lehman Grand: 2350 Grand Concourse Residence staff are available to conduct roommate mediations for students who are experiencing conflict. Conditions of the mediation are that students agree to participate in good faith and agree to develop a roommate agreement based on reasonable principles governing roommate behavior and in accordance with this Handbook and other rules and regulations governing student conduct, as described below in the section on Conduct Requirements.

CONDUCT REQUIREMENTS

All residents are expected to comply with all CUNY and Lehman College policies governing students, faculty, staff and visitors to the Lehman campus, as well as with all rules and regulations governing conduct in The Lehman Grand: 2350 Grand Concourse Residence (detailed in this Handbook, as well as in the License Agreement and Rules and Regulations, collectively referred to as "The Lehman Grand: 2350 Grand Concourse Residence Rules"), and all applicable laws.

Residents are responsible for all activities that occur within their rooms and for taking an active role in ensuring that neither they nor their guests engage in inappropriate activities either in their rooms or in common areas. Residents therefore are strongly encouraged to report activities that violate conduct requirements and especially those that present a threat to health or safety.

Residents who engage in conduct prohibited under The Lehman Grand: 2350 Grand Concourse Residence Rules will be subject to sanctions that may be imposed by the Housing staff under the procedures described in Appendix D. If residents engage in conduct that violates the Henderson Rules (annexed at Appendix F), which governs the conduct of students at Lehman College, the Housing staff (after consultation with the Office of the Vice President for Student Affairs), in cases involving severe offenses, will refer such residents for disciplinary proceedings under Article XV of the Bylaws of the CUNY Board of Trustees (annexed at Appendix E), or, if applicable, proceedings under CUNY's medical withdrawal policy (annexed at Appendix G).

The Housing staff will address disciplinary issues of non-CUNY guests/students but will also inform the appropriate official at those students' home colleges of the conduct at issue and the ultimate resolution of any disciplinary action taken against the student.

Further, the Housing staff, in consultation with the Office of the Vice President for Student Affairs, may inform Public Safety/ local law enforcement officials concerning conduct that may violate criminal law, including but not limited to situations in which a resident is in possession of a weapon.

Judicial Procedures

Judicial procedures are invoked in response to the receipt of a complaint alleging that a student has engaged in behavior which violates one or more of the policies outlined above, or other applicable College policies. Any member of the campus community, or a guest, may file a complaint. Students who wish to file a complaint must submit a statement to the Office of the Vice President for Student Affairs.

When a complaint or incident report is received, it is reviewed by the Office of the Vice President for Student Affairs. A determination is made as to whether the incident and behavior in question may violate one or more College or off-campus housing policies. The Office of Student Affairs will usually contact the resident (s) involved to complete a preliminary investigation of the allegations. All members of the college community are expected to comply with this investigation by responding to requests for meetings and by

answering all questions truthfully. Any student who engages in behavior which serves the purpose of impeding an investigation into a judicial matter is in violation of college and off-campus housing policy.

Once the preliminary investigation is completed by the Office of the Vice President for Student Affairs, a determination is made as to whether to proceed with further judicial action. In the case of serious offenses, the accused student(s) may be suspended from the residential arrangement or the College pending the outcome of the judicial review. A judicial matter may be referred to the Faculty-Student Disciplinary Committee, who will conduct a judicial hearing in accordance with Article 129A of the Education Law. Procedures pertaining to such hearings may be found in the Lehman College Catalog and Student Handbook.

At the conclusion of the judicial review a determination of responsibility is made, and in most cases where a student is determined to be responsible for a violation of College or off-campus housing policy a "sanction" is recommended. Sanctions may include, but are not limited to, formal warnings, restitution for damages, probation, suspension from the residence, permanent removal from the residence, educational project or community service requirement, and suspension from the College.

Disciplinary Sanctions and Regulations

Students who violate any of the above stated rules are subject to a range of disciplinary actions. Generally speaking, minor violations are handled by verbal or written admonition or warning. Censure involves a written reprimand for a particular violation(s) and may include a statement about further steps to be taken if the individual is found guilty of breaking a University rule within a designated period of time. A student whose conduct warrants further disciplinary sanctions may be subject to:

Disciplinary probation: exclusion from college privileges or extracurricular activities for a period of time.

Restitution: the student may be asked to make a payment or provide services to compensate for the damages s/he has caused.

Suspension: exclusion from classes and other privileges and activities for a specified period of time.

Complaint to civilian authorities: the matter is referred to officials outside of CUNY.

Conduct Prohibited

All of the conduct described below violates The Lehman Grand: 2350 Grand Concourse Residence Rules, and certain conduct may also violate the Henderson Rules, other Lehman or CUNY rules and regulations, or law. Engaging in prohibited conduct will result in disciplinary action and the imposition of sanctions. The sanctions imposed will vary depending on the gravity of the offense, with the most severe offenses potentially resulting in termination of the License Agreement and suspension or expulsion from The Lehman

Grand: 2350 Grand Concourse Residence. Further, in the event of a determination that the prohibited conduct violates the Henderson Rules or other Lehman or CUNY policies or law, other penalties may be assessed under Article XV of the CUNY Bylaws, including but not limited to suspension or expulsion from CUNY.

If a resident's behavior poses a severe, direct and imminent threat to him or herself or others (by evidencing a likelihood of harm to him or herself or others), the Housing staff, in consultation with the Office of the Vice President for Student Affairs, may direct an emergency interim removal of a resident from The Lehman Grand: 2350 Grand Concourse Residence until a final determination on the student's case is made through applicable procedures.

Alcohol and Drug Policy.

Residents of The Lehman Grand shall abide by CUNY/CCNY policies, procedures and regulations and local, state and federal laws regarding alcohol and illegal drugs.

The possession, consumption, and/or sale of alcohol are prohibited, regardless of age. Empty alcohol bottles are also not permitted as decoration. Violations may result in administrative and/or disciplinary sanctions, up to and including contract termination.

The possession, sale, distribution, manufacture, or provision of any illegal drug, controlled substance, or drug paraphernalia is prohibited. This includes but is not limited to roach clips, bongs, pipes, blow tubes, hookahs, bowls and any type of water pipe or any object filled with water through which smoke is drawn. Students found to be involved with drugs in or around The Lehman Grand will be subject to The Office of Housing and Residence Life administrative student conduct process and may also be referred to their academic institution's student conduct system, in accordance with the institution's Code of Student Conduct. Where applicable, sanctions will address both the Resident status in The Towers and the student status of the Resident with the academic institution.

Violations of The Lehman Grand and CUNY Alcohol and Drug Policy may result in administrative and/or disciplinary sanctions, up to and including Housing Contract termination and/or suspension/expulsion from the academic institution.

The fact that a resident has threatened to commit or attempted to commit suicide may not be used as the basis for an emergency interim removal. In such a circumstance, for a resident, The Office of the Vice President for Student Affairs or designee shall refer the resident to a mental health professional for an assessment of whether the resident presents a severe, direct and imminent threat to him or herself or others under CUNY's medical withdrawal policy. Further, under CUNY's medical withdrawal policy, if the student refuses to submit to the assessment, the VP of Student Affairs may determine whether he or she poses such a threat based on the available evidence and act as permitted under the policy.

Endangering Behavior: Endangering behavior includes intentionally or recklessly causing physical harm or causing the apprehension of harm, or threatening physical harm, or intentionally or recklessly provoking and/or engaging in physical fights or harassing any

person in a way as to interfere with that person's academic pursuits, sleep, and/or other personal pursuits.

Disruptive Conduct: Disruptive conduct is conduct that infringes upon the rights of others to a quiet, academic living environment, including disorderly or indecent conduct.

Chronic Misbehavior: Although individual offenses might be minor, repeated patterns of such offenses constitute a pattern of chronic misbehavior.

Gambling: Residents are not allowed to enter in wagering, betting or other games for the purpose of gaining money from other students. No poker, sports betting or other activities involving the exchange of money through gambling are permitted.

Sports Equipment: Authorized sports/recreational equipment may be used only in designated areas. Equipment prohibited within the premises includes but is not limited to: roller blades, scooters, bicycles, skateboards, footballs, soccer balls, basketballs, baseballs, volleyballs, lacrosse equipment, field hockey equipment, Nerf balls, and Frisbees. Bicycles are not allowed in the building. Exterior storage racks are provided.

Hazardous Substances and Weapons: The use, manufacture, transport, or storage of any fireworks, explosives, compressed gases, poisons, combustible substances, chemicals, or any substance designed to injure others or damage property, is strictly prohibited in any area of The Lehman Grand: 2350 Grand Concourse Residence. The storage or use of gasoline or electrically powered vehicles or engines regardless of their state or dismantlement in the apartment is prohibited.

State Law strictly prohibits the possession or use of any weapons, fireworks, or explosive devices in the premises or about the property. See also section below for list of "Prohibited Items."

Noise: At all times, students and their guests) shall not make or permit any unreasonably disturbing noises in the room or the building or permit anything to be done that will interfere with the rights, comforts or convenience of others in the unit or building. Students may use stereos, radios, televisions, or other sound-producing devices only when all residents present in a given unit give consent. Otherwise, headphones should be used and kept to a low volume, which does not disturb others. During established quiet hours no resident or guest is permitted to create sounds or to operate any radio, stereo, television, or other sound-producing equipment which disturbs the quiet, comfort, or repose of any member of the house.

During quiet hours residents are expected to keep their room doors closed, and refrain from making any noise that any other resident can hear from his/her own room.

Any resident has the right to expect that others will refrain from making noise that disturbs him or her, regardless of the time of day.

Excessive noise includes: music, television, or other electronic equipment playing at high volume, excessive yelling, music practice, violations of established floor/hall quiet hours, noisy gatherings/parties. Residents who have a problem with noise are encouraged to talk to the resident (s) who are creating the noise. If noise continues, the affected resident should request assistance from a residence staff member.

Quiet hours are in effect from 11 p.m. to 8 a.m. Sunday through Thursday nights and 12 a.m. to 8 a.m. on Friday and Saturday nights.
