

Campus Climate Survey

Your Voice
Is Our Strength.

What's a Campus Climate Survey?

It measures an institution's real and perceived environment—how we interact personally, academically, and professionally—and how safe and valued people feel within it. The results can help us gauge our strengths and weaknesses around diversity and inclusion.

Where can I take it?

Scan the QR Code or go to <http://lehman.edu/campus-climate>.

Participation is voluntary and confidential, and the survey requires 20-30 minutes.

What's in it for me?

Your feedback will help us identify what we're doing right and where we may need to improve, so we can make our campus stronger. Complete the survey, and you can also qualify to win prizes.
