AGENDA

Lehman Student Success Summit (LS³)

Amplifying Students Success Through Innovation and Intentional Collaboration:
Connecting People, Technology, and Data

Thursday, October 15, 2021

8:45 AM – 4:30 PM

HyFlex: The Lovinger Theater and Online via Zoom

Lehman College is excited to host the *Lehman Summit on Student Success (LS³) Amplifying Students Success Through Innovation and Intentional Collaboration: Connecting People, Technology, and Data*.

Building on the successful 2019 Student Success Summit, we will deliver another great event featuring keynote speaker - **Dr. John Gardner of the Gardner Institute for Excellence in Undergraduate Education**.

Throughout the day, sessions will **highlight Lehman's faculty and staff who have championed student success strategies that have been impactful**. You will learn about the many strategies and have an opportunity to exchange in discussions on how we ALL contribute and can continue to contribute to our students' success.

The event is being offered in the HyFlex format, enabling you to connect remotely as well. Our goal is to bring together all campus groups: faculty, staff, students, and other stakeholders, representatives from CUNY Central and our Bronx Transfer Affinity Group (BTAG) partners that support Lehman's mission to advance equity and provide access and social mobility for our community in the Bronx.

Welcome and thank you for joining us today!

Pertter O. Nwsu, Ph.D
Provost and Senior Vice President for Academic Affairs and Student Success
Lehman College
The City University of New York
